Modena Racing Memories:

Modena Racing Memories Graham Gauld, 1999 In the 1950s and early 1960s Modena was the center of Italy's sports car and Grand Prix universe. There engineers and artisans crafted cars for Ferrari Maserati OSCA ATS and others every day bringing an unending parade of new surprises to the famous Modena Autodrome for resting. As a young man Graham Gauld traveled to the northern Italian villa several times striking up relationships with famous drivers engineers and designers who granted him and his camera unprecedented access to their facilities. The result is this remarkable history which documents the fall of Italian carmakers from Grand Prix eminence and their subsequent rise to dominance in international GT racing. All of the photos are from Gauld's private collection and are seen together here for the first time. Populated with fantastic cars motorsport luminaries and the author's rarefied memories this splendid photo history is sure to interest all fans of vintage racing and classic Italian machinery.

Ferrari Hypercars Winston Goodfellow, 2014-11-14 The only full history behind all of Ferrari's most outrageous performance cars. For over 60 years Ferrari has produced cars that fire the imaginations of car lovers worldwide. Embodying the perfect combination of beauty performance exclusivity and Italian flair its vehicles have made it the world's most iconic carmaker. Though Ferrari has always produced road cars the company has first and foremost focused on competition models such as the handful of cars built in low number serial production that campaigned on race courses the world over in the 1950s and 60s. In *Ferrari Hypercars: The Story of Maranello's Fastest Rarest Road Cars* author Winston Goodfellow profiles some of Ferrari's top creations vehicles so startling in their performance capabilities that they surpass modern terms and attain the status of hypercar. This book begins by reaching back to the 1950s to establish the lineage of hypercars and goes on to showcase the best known examples since the 288 GTO including the F40 F50 Enzo and all new LaFerrari. These cars were collector vehicles from the moment they rolled off the production line though that was never the reason for their creation they were made to be driven. A necessary read for any racing fan. *Ferrari Hypercars* exhaustively traces the history of the company's competition vehicles and establishes its status as a symbol for speed luxury and wealth.
