Modern And Contemporary Macedonia History Economy Society Culture:

Historical Dictionary of the Republic of Macedonia Dimitar Bechev, 2009-04-13 Located at the very heart of the Balkans the Republic of Macedonia has a rich and turbulent history which reflects all the complexities of the region's past and present day politics In the late 19th and the early 20th century it became the focal point of competition by the fledgling Balkan nation states over the declining Ottoman Empire's European possessions Late Ottoman Macedonia was a region which impressed the external observer with its diversity ethnic religious linguistic clannish and territorial identities all overlapped in a complex and puzzling mosaic It is this diversity that has led to the Macedonian Question of the late 19th and early 20th centuries and continues to raise questions today The Historical Dictionary of the Republic of Macedonia traces the key political socio economic and cultural developments in the multiethnic mosaic that is Republic of Macedonia following its secession from the Yugoslav federation in the autumn of 1991 It also surveys often overlooked topics such as the social transformations underwent in the course of the 20th century and during the decades of socialism as well as the recent debates about historical memory and roots of the Slav Macedonian nation Complete with a chronology an introductory essay a bibliography and over 400 hundred cross referenced dictionary entries this reference provides a rich account of the history present day politics and society of the Republic of Macedonia

Historical Dictionary of North Macedonia Dimitar Bechev, 2019-09-03 Located in the middle of the Balkans North Macedonia reflects the turbulent history of the region The country emerged from former Yugoslavia in the 1990s without violence but struggled to achieve international recognition due to a dispute with neighboring Greece over its name and symbols The name issue was resolved only in 2018 with the signature of the Prespa Agreement reviving prospects for membership in NATO and the European Union EU Yet North Macedonia's story goes centuries back to the Middle Ages the period of Ottoman Rule which lasted until 1912 and the various reincarnations of Yugoslavia The historical dictionary traces the country's past and present with a wealth of articles on issues events institutions personalities shaping political economic and cultural life It looks at the majority Macedonian as well as other ethnic communities such as the Albanians Turks and the Roma There are also entries on North Macedonia's relations with neighbors in history and today as well as with global powers This second edition of Historical Dictionary of North Macedonia contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about North Macedonia

The Macedonians E. Damianopoulos, 2012-02-14 Overturning the 20th century's prevalent view of the Macedonians Damianopoulos uses three domains of evidence historical documentation cognitive self descriptor reports and sociocultural features to demonstrate that the Macedonians are a unique non Slav non Greek ethnic identity [Encyclopedia of Greece and the Hellenic Tradition](#) Graham Speake, 2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has

a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence *Modern Greek Studies Yearbook* ,2010

Republic of Macedonia Foreign Policy Dejan Marolov,2014-07-08 The Republic of Macedonia is a particularly interesting case study for analysts of international relations Its very existence has been contested by its neighbors its internal balance is delicate Potentially the country could however become a model of stability in a traditionally conflictual region Dejan Marolov presents an encompassing in depth analysis of the country s foreign policy since the break up of Yugoslavia He examines relations with neighboring countries as well as Macedonia s still incomplete integration into a transatlantic and European framework Everybody interested in the international relations of the Western Balkans should read Marolov s book Dr Matthias Waechter European Institute Nice France and Dr Tugce Varol Sevim Aydin University Istanbul Turkey

Collective Memory, National Identity, and Ethnic Conflict Victor Roudometof,2002-12-30 Roudometof provides an in depth analysis of inter ethnic relations in the southern Balkans He examines the evolution of the Macedonian Question and the production of rival national narratives by Greeks Bulgarians and Macedonians He introduces the concept of a national narrative in order to account for the production and proliferation of different forms of collective memory among the rival nation states Roudometof deconstructs the national narratives of the competing sides and shows the limits of these narratives and their biases He also develops an alternative interpretation of Macedonian national formation The contentious issue of Macedonian national minorities in the southern Balkans is examined as well as the issue of the Albanian movements toward self determination and succession in Kosovo and western Macedonia Roudometof argues that the Macedonian minority groups are not as numerous in the neighboring states as it is conventionally assumed With regard to the Albanian national question he provides a review of the post 1945 relations between Albania and Greece the Albanians of Kosovo and the Serbs and the Albanians and Macedonians He argues that the Albanian nationalist movements have grown out of the interaction between Albanians and their neighboring nations and ethnic groups An important resource for scholars students and other researchers involved with the Balkans and ethnic conflict resolution in general

Nationalism, Globalization, and Orthodoxy Victor Roudometof, 2001-07-30 Roudometof provides an in depth sociological analysis of the birth and historical evolution of nationalism in the Balkans The rise of nationalism in the region is viewed as part of a world historical process of globalization over the last five centuries With the growing contacts between the Ottoman Empire and the Western European system the Eastern Orthodox of the Balkans abandoned the enthoconfessional system of social organization in favor of secular national identities Prior to 1820 local nationalism was influenced by the Enlightenment though later it came to be developed on an ethnonational basis In the post 1830 Balkans

citizenship rights were subordinated to ethnic nationalism according to which membership to a nation is accorded on the basis of church affiliation and ethnicity In the 19th and 20th centuries the discourse of nationhood was institutionalized by the native intelligentsia of the Balkan states In the first half of the 20th century the efforts of Balkan states to achieve national homogenization produced interstate rivalry forced population exchanges and discrimination against minority groups While the Cold War helped contain some of these problems the post 1989 period has seen a return of these issues to the forefront of the Balkan political agenda **Queen of the Worthy** Iōannēs K. Post-Ottoman Topologies Nicolas Argenti, 2019-04-21 How are historians and social scientists to understand the emergence the multiplicity and the mutability of collective memories of the Ottoman Empire in the political formations that succeeded it With contributions focussing on several of the nation states whose peoples once were united under the aegis of Ottoman suzerainty this volume proposes new theoretical approaches to the experience and transmission of the past through time Developing the concept of topology contributors explore collective memories of Ottoman identity and post Ottoman state formation in a contemporary epoch that echoing late modernity we might term late nationalism

Ottoman Politics and Economy Dimitrios K. Lamprakis, 2025-03-24 This book examines the history of the transformation of the small town of Kozani situated in modern Greek Macedonia into a vibrant commercial hub and self administering community during the period of Ottoman rule c 1400 1821 Beginning with a comprehensive examination of the foundation myths as recorded in local amateur historical works the book then proceeds with a reconstruction of the foundation of Kozani as a small village during the chaotic Ottoman conquest of Macedonia in the fourteenth and fifteenth centuries It then examines the history of the village using extant Ottoman and Greek documentation as well as available Ottoman and European travelogues and geographical treatises Key moments are highlighted in the socio economic transformation of the village into a thriving commercial hub and religio political and administrative centre during the sixteenth seventeenth and eighteenth centuries To that end it discusses the taxation status

of Kozani and more particularly the establishment and administration of the mülkî ne'îfe term tax farming system. The book also examines local myths about communal strife applying the scheme of bilateral factionalism to explain the repeated waves of intra-communal violence that almost tore the settlement apart. Shedding new light on an area long overlooked by Ottoman historians, the book is vital reading for those interested in the history, politics and economy of Ottoman Islamic and Balkan towns.
