The 13th of October 1970 The day that then Prime Minister Pierre Elliot Trudeau uttered the phrase Just watch me when asked by a CBC reporter about how far he intended to go to end the FLQ crisis Front de lib ration du Qu bec Three days later he invoked the War Measures Act that curtailed the civil liberties of Canadians across the country

The 28th of September 1972 The day Paul Henderson scored his famous goal in the dying seconds of the final game with the Russians in Moscow to win the Summit Series for Canada at the height of Cold War The come from behind victory which united the nation in a way never seen before revealed as much about Cold War politics as it did about contrasting hockey styles

The 17th of April 1982 The day that the Constitution was patriated and the Charter of Rights and Freedoms enshrined within The Charter would go on to shape many features of Canadian life including preventing discrimination on the basis of sexual orientation and allowing women safe and legal access to terminate their pregnancies

path forward for reconciliation The 20th of August 2016 The day of The Tragically Hip s Last Concert in the band s hometown of Kingston ON The Hip a band for which at least the Anglophone part of country had a special place in its heart because of among other things its Canadian infused lyrics had often functioned as a symbolic antidote to the hegemony of American imports The 8th of March 2018 The day federal Finance Minister Bill Morneau and Bank of Canada Governor Stephen Poloz unveiled the new ten dollar bill at a ceremony in Halifax with the portrait of Viola Desmond on it Modern Realism in English-Canadian Fiction Colin Hill,2012-05-07 Much of the scholarship on twentieth century Canadian literature has argued that English Canadian fiction was plagued by backwardness and an inability to engage fully with the movement of modernism that was so prevalent in British and American fiction and poetry Modern Realism in English Canadian Fiction re evaluates Canadian literary culture to posit that it has been misunderstood because it is a distinct genre a regional form of the larger international modernist movement Examining literary magazines manifestos archival documents and major writers such as Frederick Philip Grove Morley Callaghan and Raymond Knister Colin Hill identifies a modern realism that crosses regions as well as urban and rural divides A bold reading of the modern realist aesthetic and an articulate challenge to several enduring and limiting myths about Canadian writing Modern Realism in English Canadian Fiction will stimulate important debate in literary circles everywhere *The Canadian Short Story* Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany *The English Short Story in Canada* Reingard M. Nischik,2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and
