Board of Education, 1929 *School*, 1920 **Rediscovered Classics of Japanese Animation** Maria Chiara Oltolini, 2024-01-25 *Rediscovered Classics of Japanese Animation* is the first academic work to examine World Masterpiece Theater Sekai Meisaku Gekij 1969-2009, which popularized the practice of adapting foreign children's books into long-running animated series and laid the groundwork for powerhouses like Studio Ghibli. World Masterpiece Theater Sekai Meisaku Gekij 1969-2009 is a TV staple created by the Japanese studio Nippon Animation, which popularized the practice of adapting foreign children's books into long-running animated series. Once generally dismissed by critics, the series is now frequently investigated as a key early work of legendary animators Isao Takahata and Hayao Miyazaki. In the first book-length examination of the series, Maria Chiara Oltolini analyzes the cultural significance of World Masterpiece Theater and the ways in which the series pioneered the importance of children's fiction for Japanese animation studios and laid the groundwork for powerhouses like Studio Ghibli. Adapting a novel for animation also means decoding and re-coding socio-cultural patterns embedded in a narrative. World Masterpiece Theater stands as a unique example of this linguistic, medial and cultural hybridisation. Popular children's classics such as *Little Women*, *Peter Pan* and *Anne of Green Gables* became the starting point of a full-fledged negotiation process in which Japanese animators retold a whole range of narratives that have one basic formula in common: archetypal stories with an educational purpose. In particular, the series played a role in shaping the pop culture image of a young girl, *shōjo*. Examining the series through the lens of animation studies as well as adaptation studies, Oltolini sheds new light on this long-neglected staple of Japanese animation history. *Essentials of Integrating the Language Arts* David Yellin, 2017-05-12 *Essentials of Integrating the Language Arts*, Fifth Edition, offers students all the practical tools they need to be effective language arts teachers, supported by the necessary theoretical foundation.
