Women in Eighteenth Century Europe Margaret Hunt,2014-06-11 Was the century of Voltaire also the century of women In the eighteenth century changes in the nature of work family life sexuality education law religion politics and warfare radically altered the lives of women Some of these developments caused immense confusion and suffering others greatly expanded women s opportunities and worldview long before the various women s suffrage movements were more than a glimmer on the horizon This study pays attention to queens as well as commoners respectable working women as well as prostitutes women physicists and mathematicians as well as musicians and actresses feminists as well as their critics The result is a rich and morally complex tale of conflict and tragedy but also of achievement The book deals with many regions and topics often under represented in general surveys of European women including coverage of the Balkans and both European Turkey and Anatolia of Eastern Europe of European colonial expansion particularly the slave trade and of Muslim Eastern Orthodox and Jewish women s history Bringing all of Europe into the narrative of early modern women s history challenges many received assumptions about Europe and women

in past times and provides essential background for dealing with issues of diversity in the Europe of today Illustrated Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago, 1904 *The Supernatural Voice* Simon Ravens, 2014 The use of high male voices in the past has long been one of the most seriously misunderstood areas of musical scholarship and practice In opening up this rich subject to readers of all sorts with refreshingly clear perspectives and plenty of new material Simon Ravens well researched book goes a very long way to rectifying matters Ravens writes damnably well and if the story that emerges is necessarily a complex one his treatment of it is always engagingly comprehensible ANDREW PARROTT Tracing the origins influences and development of falsetto singing in Western music Simon Ravens offers a revisionist history of high male singing from the Ancient Greeks to Michael Jackson This history embraces not just singers of counter tenor and alto parts up to and including our own time but the castrati of the Ancient world the male sopranists of late Medieval and Renaissance Europe and the dual register tenors of the Baroque and Classical periods Musical aesthetics aside to understand the changing ways men have sung high it is also vital to address extra musical factors which are themselves in a state of flux To this end Ravens illuminates his chronological survey by exploring topics as diverse as human physiology the stereotyping of national characters gender identity and the changing of boys voices The result is a complex and fascinating history sure to appeal not only to music scholars but to performers and all those with an interest particularly in early music Simon Ravens is a performer writer and director of Musica Contexta with whom he has performed in Britain and Europe regularly broadcast and made numerous acclaimed recordings Ravens had previously founded and directed Australasia s foremost early music choir the Tudor Consort Between 2002 and 2007 his regular monthly column Ravens View appeared in the Early Music Review to which he still regularly contributes **The Etude** , 1902 A monthly journal for the musician the music student and all music lovers **Interwar Symphonies and the Imagination** Emily MacGregor, 2023-01-26 Reveals how in the culturally volatile 1930s the symphony long associated with ideas of selfhood was a flourishing transnational phenomenon **The Horse-head Fiddle and the Cosmopolitan Reimagination of Tradition in Mongolia** Peter K. Marsh, 2008-09-25 Few other nations have undergone as profound a change in their social political and cultural life as Mongolia did in the twentieth century Beginning the century as a largely rural nomadic and tradition oriented society the nation was transformed by the end of this century into a largely urban post industrial and cosmopolitan one This study seeks to understand the effects that Western inspired modernity has had on the nature of cultural tradition in the country focusing in particular on development of the morin khuur or horse head fiddle a two stringed bowed folk lute that features a horse s head carved into its crown As well as being one of the most popular instruments in the contemporary national musical culture it has also become an icon of Mongolian national identity and a symbol of the nation s ancient cultural heritage In its modern form however the horse head fiddle reflects the values of a modern cosmopolitan society that put it profoundly at odds with those of the traditional society In so doing it also reflects the cosmopolitan nature of the nation s contemporary
