Modern French Painters (Classic Reprint) Jan Gordon, 2018-01-31 Excerpt from *Modern French Painters* F one wishes to explain house building to a child it is best to show him how the foundations are laid and how the walls rise from them So in trying to find an easy way to make a clear study of Modern Art what it means and how it came about I have tried to expose enough of the foundations to render easily intelligible the kind of house which has risen upon them My intention has been to write a book not for the expert but for the ordinary man who is interested in Art or for the Art student who is still at the outset of his or her career About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
