Modern History Of Japan From Tokugawa Times To The Present

Brian P. Farrell, Donna Brunero

Modern History Of Japan From Tokugawa Times To The Present:

A Modern History of Japan Andrew Gordon, 2014 A Modern History of Japan takes students from the days of the shogunate to the aftermath of the 2008 tsunami This third edition incorporates increased coverage of both Japan's role within East Asia particularly with China Korea and Manchuria as well as expanded discussions of cultural and intellectual history

A Modern History of Japan, International Edition Andrew Gordon, 2013-12 The bestselling textbook on Modern Japan extensively revised to cover Japan's tumultuous recent history including the events of 3 11

A History of Postwar Japan Simon Avenell, 2025-08-31 This sweeping history tells the story of contemporary Japan from its defeat in the Asia Pacific War in 1945 until the early decades of the new millennium How did the Japanese people deal with the collapse of its empire and the American led occupation What factors played into Japan's remarkable economic recovery and stunning affluence How did democracy develop under the new pacifist constitution and long term conservative rule And how did Japanese society and culture reflect the extraordinary demographic transformations of the era After a concise recap of events prior to 1945 historian Simon Avenell traces the country's early postwar recovery its striking economic growth the political and social struggles of the citizenry the legacies of colonial empire and militarism the profound demographic changes wrought by urbanization and affluence the impact of regional and global entanglements and the flowering of postwar culture The content chapters are augmented by an introduction exploring the diverse historical interpretations of the era and its major themes along with an epilogue pondering the prospects for Japan's postwar condition at our contemporary moment The lively narrative is supported by a wealth of images charts tables primary sources and cutting edge research Drawing on recent historiography the book presents Japan's postwar history both as a distinctive phase in the country's modern experience as well as an era with deep connections to developments before 1945 A History of Postwar Japan will appeal to a broad readership including students and general readers who want a comprehensive and compelling narrative of Japan's contemporary history

New Directions in Thai Studies Preedee Hongsaton, Ying-kit Chan, 2025-07-22 This book considers recent developments in Thai history and historiography examining why Thai studies had suffered under a combination of protectionism uncritical learning and unwillingness to engage with scholarship from abroad The essays collected here explore from Thai perspectives innovations in theory and methodology in Thai studies gathering critical insights from disciplines such as anthropology and cultural studies The book may also serve as an entry to Thai studies informing experts and non specialist readers alike on topics such as access to Thai archives the difficulties in conducting ethnographic research with Thai subjects the non development of scholarly disciplines in Thailand and the challenges and opportunities presented by Thai studies as a whole for prospective scholars and graduate students

American Political and Cultural Perspectives on Japan John H. Miller, 2014-04-02 American Political and Cultural Perspectives on Japan From Perry to Obama is an historical survey of how Americans have viewed Japan during the past 160 years It encompasses the diplomatic political

economic social and cultural dimensions of the relationship with an emphasis on changing American images myths and stereotypes of Japan and the Japanese It begins with the American opening of Japan in the 1850s and 1860s Subsequent chapters explore American attitudes toward Japan during the Gilded Age the early 1900s the 1920s the 1930s and the Pacific War The second part of the book organized round the theme of the postwar Japanese American partnership covers the Occupation the 1960s the troubled 1970s and 1980s and the post Cold War decades down to the Obama presidency The conclusion offers some predictions about how Americans are likely to view Japan in the future *The Oxford Handbook of Cities in World History* Peter Clark, 2013-02-14 In 2008 for the first time the majority of the planet's inhabitants lived in cities and towns Becoming globally urban has been one of mankind's greatest collective achievements over time Written by leading scholar this is the first detailed survey of the world's cities and towns from ancient times to the present day *Empire in Asia: A New Global History* Brian P. Farrell, Donna Brunero, 2018-09-20 Asia was the principle focus of empire builders from Alexander and Akbar to Chinggis Khan and Qianlong and yet until now there has been no attempt to provide a comprehensive history of empire in the region Empire in Asia addresses the need for a thorough survey of the topic This volume covers the long 19th century commonly seen in terms of high imperialism and the global projection of Western power This volume explores the dynamic volatile and often contested processes by which by the early years of the 20th century Asian states space and peoples became deeply integrated into the wider dynamics of global reordering Drawing on case studies from across Asia the contributors discuss key themes including ideology concepts of identity religion and politics state building and state formation the relationships between space people and sovereignty the movements of goods money people and ideas and the influence and impact of conflict and military power The two volumes of Empire in Asia offer a significant contribution to the theory and practice of empire when considered globally and comparatively and are essential reading for all students and scholars of global imperial and Asian history

Access to History for the IB Diploma: Causes and effects of 20th century wars Study and Revision Guide Nicholas Verrill, Kate Harker, 2019-02-18 Exam board International Baccalaureate Level IB Diploma Subject History First teaching September 2015 First exams Summer 2017 Reinforce knowledge and develop exam skills with revision of key historical content exam focussed activities and guidance from experts as part of the Access to History Series Take control of revision with helpful revision tools and techniques and content broken into easy to revise chunks Revise key historical content and practise exam technique in context with related exam focussed activities Build exam skills with Exam Focus at the end of each chapter containing exam questions with sample answers and examiner commentary to show you what is required in the exam *The Comfort Women Hoax* J. Mark Ramseyer, Jason M. Morgan, 2024-01-23 During World War II the Japanese military extended Japan's civilian licensing regime for domestic brothels to those next to its overseas bases It did so for a simple reason to impose the strenuous health standards necessary to control the venereal disease that had debilitated its troops in earlier wars In turn

these brothels dubbed comfort stations recruited prostitutes through variations on the standard indenture contracts used by licensed brothels in both Korea and Japan The party line in Western academia though is that these comfort women were dragooned into sex slavery at bayonet point by Japanese infantry But as the authors of this book show that narrative originated as a hoax perpetrated by a Japanese communist writer in the 1980s It was then spread by a South Korean organization with close ties to the Communist North Ramseyer and Morgan discuss how these women really came to be in Japanese military comfort stations Some took the jobs because they were tricked by fraudulent recruiters Some were under pressure from abusive parents But the rest of the women seem to have been driven by the same motivation as most prostitutes throughout history want of money Indeed the notion that these comfort women became prostitutes by any other means has no basis in documentary history Serious intellectuals of all political perspectives in both South Korea and Japan have understood this for years Ramseyer and Morgan s findings caused a firestorm in Japanese Studies academia For explaining that the women became prostitutes of their own volition both authors of this book found themselves cancelled In this book the authors detail both the history of the comfort women and their own persecution by academic peers Only in the West and only through brutal stratagems of censorship and ostracism has the myth of bayonet point conscription survived

The White Man's Burden William Easterly, 2006-03-16 From one of the world s best known development economists an excoriating attack on the tragic hubris of the West s efforts to improve the lot of the so called developing world Brilliant at diagnosing the failings of Western intervention in the Third World BusinessWeek In his previous book *The Elusive Quest for Growth* William Easterly criticized the utter ineffectiveness of Western organizations to mitigate global poverty and he was promptly fired by his then employer the World Bank *The White Man s Burden* is his widely anticipated counterpunch a brilliant and blistering indictment of the West s economic policies for the world s poor Sometimes angry sometimes irreverent but always clear eyed and rigorous Easterly argues that we in the West need to face our own history of ineptitude and draw the proper conclusions especially at a time when the question of our ability to transplant Western institutions has become one of the most pressing issues we face Inglorious, Illegal Bastards Aaron Skabelund, 2022-07-15 In *Inglorious Illegal Bastards* Aaron Herald Skabelund examines how the Self Defense Force SDF the post World War II Japanese military and specifically the Ground Self Defense Force GSDF struggled for legitimacy in a society at best indifferent to them and often hostile to their very existence From the early iterations of the GSDF as the Police Reserve Force and the National Safety Force through its establishment as the largest and most visible branch of the armed forces the GSDF deployed an array of public outreach and public service initiatives including off base and on base events civil engineering projects and natural disaster relief operations Internally the GSDF focused on indoctrination of its personnel to fashion a reconfigured patriotism and esprit de corps These efforts to gain legitimacy achieved some success and influenced the public over time but they did not just change society They also transformed the force itself as it assumed new priorities and traditions and

contributed to the making of a Cold War defense identity which came to be shared by wider society in Japan As *Inglorious Bastards* demonstrates this identity endures today several decades after the end of the Cold War *Financial Stabilization in Meiji Japan* Steven J. Ericson, 2020-02-15 With a new look at the 1880s financial reforms in Japan Steven J. Ericson's *Financial Stabilization in Meiji Japan* overturns widely held views of the program carried out by Finance Minister Matsukata Masayoshi As Ericson shows rather than constituting an orthodox financial stabilization program a sort of precursor of the neoliberal reforms promoted by the IMF in the 1980s and 1990s Matsukata's policies differed in significant ways from both classical economic liberalism and neoliberal orthodoxy The Matsukata financial reform has become famous largely for the wrong reasons and Ericson sets the record straight He shows that Matsukata intended to pursue fiscal retrenchment and budget balancing when he became finance minister in late 1881 Various exigencies including foreign military crises and a worsening domestic depression compelled him instead to increase spending by running deficits and floating public bonds Though he drastically reduced the money supply he combined the positive and contractionary policies of his immediate predecessors to pull off a program of expansionary austerity paralleling state responses to financial crisis elsewhere in the world both then and now Through a new and much needed recalibration of this pivotal financial reform *Financial Stabilization in Meiji Japan* demonstrates that in several ways ranging from state led export promotion to the creation of a government controlled central bank Matsukata advanced policies that were more in line with a nationalist developmentalist approach than with a liberal economic one Ericson shows that Matsukata Masayoshi was far from a rigid adherent of classical economic liberalism **Japan at War, 1914-1952** Jeremy A. Yellen, 2024-12-24 *Japan at War 1914-1952* is a synthetic and interpretive history that highlights the centrality of war to the modern Japanese experience The author argues that war was central to Japanese life in this period the era when Japan rose and fell as a world power The volume examines how World War I set off profound changes that led to the rise of a politicized military aggressive imperial expansion and the militarization of Japanese social political and economic life War was extraordinarily popular which helped confirm Japan's aggressive imperialism in the 1930s and war across the Asia Pacific in the 1940s It took a defeat by 1945 and occupation through 1952 to undo war as a national concern and to remake Japan into a peaceful nation state In telling this story of Japan in war and peace this book highlights the importance of Japan in the creation of the modern world This study of political power and its influences in domestic and foreign affairs will be of great value to nonspecialist readers who are interested in this period undergraduate and postgraduate students in introductory classes and scholars interested in Japanese history and political military and international history *Sexual Abuse and Education in Japan* Robert O'Mochain, Yuki Ueno, 2022-09-09 Bringing together two voices practice and theory in a collaboration that emerges from lived experience and structured reflection upon that experience O'Mochain and Ueno show how entrenched discursive forces exert immense influence in Japanese society and how they might be most effectively challenged With a psychosocial framework

that draws insights from feminism sociology international studies and political psychology the authors pinpoint the motivations of the nativist right and reflect on the change of conditions that is necessary to end cultures of impunity for perpetrators of sexual abuse in Japan Evaluating the value of the MeToo model of activism the authors offer insights that will encourage victims to come out of the shadows pursue justice and help transform Japan's sense of identity both at home and abroad Ueno a female Japanese educator and O Mochain a non Japanese male academic examine the nature of sexual abuse problems both in educational contexts and in society at large through the use of surveys interviews and engagement with an eclectic range of academic literature They identify the groups within society who offer the least support for women who pursue justice against perpetrators of sexual abuse They also ask if far right ideological extremists are fixated with proving that so called comfort women are higaisha buru or fake victims Japan would have much to gain on the international stage were it to fully acknowledge historical crimes of sexual violence yet it continues to refuse to do so O Mochain and Ueno shed light on this puzzling refusal through recourse to the concepts of international status anxiety and male hysteria An insightful read for scholars of Japanese society especially those concerned about its treatment of women

Cultural and Theological Reflections on the Japanese Quest for Divinity John J. Keane, 2016-11-07 In Cultural and Theological Reflections on the Japanese Quest for Divinity John J Keane offers an explanation of Japanese divinity kami using sociology anthropology linguistics literature and history He presents an overview of how the Japanese have sought to love and serve their kami a quest that rivals the interest that the West gives to God The principles of interreligious dialogue are applied to the meaning of kami and a plea is made for a dialogue that respectfully accepts differences between the cultures and the theologies of Eastern and Western thought Important cultural themes are discussed as a part of this quest such as the emperors of Japan and the Japanese Tea Ceremony The work also challenges the understanding of kami as highlighted by Akutagawa Ryunosuke and Endo Shusaku

Down and Out in Late Meiji Japan James L. Huffman, 2018-04-30 A sweeping work of original scholarship Down and Out in Late Meiji Japan examines the daily lives of Japan's hinmin poor people particularly urban slum dwellers in the late 1800s and early 1900s James Huffman draws on newspaper articles official surveys and reminiscences to recreate for readers life as experienced by the poor themselves something not attempted before in scholarship on this era He begins by explaining the causes behind the fast increasing numbers of poor neighborhoods in major cities after the late 1880s and goes on to describe in fascinating detail what those neighborhoods looked like and what their inhabitants did for a living collecting night soil weaving textiles making match boxes and other piecework pulling rickshaws building the structures that made Japan modern and supplying much of the era's entertainment including sex He also explores what hinmin did outside of work what they ate where they did their wash how they stretched their meager budgets by using pawn brokers and how they dealt with illness and other disasters and grappled with the painful necessity of sending children to work rather than to school Huffman argues that despite the tremendous challenge of

day to day living hinmin confronted life as energetic agents embracing it as avidly as members of the more affluent classes Reading sources carefully and often against the grain he reveals that many of the poor found meaning in their work took an active and even influential part in their cities politics and nursed ambitions for a better life And nearly all took part in the pleasures and festivities that urban neighborhoods offered Later chapters examine poverty outside the cities and the large scale emigration of indigent farmers to Hawai i s sugar plantations beginning in 1885 In his conclusion Huffman looks at late Meiji hardship in light of twenty first century poverty and the global income disparity that has captured the public s attention in recent years

The Afterlife of Toyotomi Hideyoshi Susan Westhafer Furukawa,2023-11-20 Popular representations of the past are everywhere in Japan from cell phone charms to manga from television dramas to video games to young people dressed as their favorite historical figures hanging out in the hip Harajuku district But how does this mass consumption of the past affect the way consumers think about history and what it means to be Japanese By analyzing representations of the famous sixteenth century samurai leader Toyotomi Hideyoshi in historical fiction based on Taik ki the original biography of him this book explores how and why Hideyoshi has had a continued and ever changing presence in popular culture in twentieth and twenty first century Japan The multiple fictionalized histories of Hideyoshi published as serial novels and novellas before during and after World War II demonstrate how imaginative re presentations of Japan s past have been used by various actors throughout the modern era Using close reading of several novels and short stories as well as the analysis of various other texts and paratextual materials Susan Furukawa discovers a Hideyoshi who is always changing to meet the needs of the current era and in the process expands our understanding of the powerful role that historical narratives play in Japan

Encyclopedia of the World's Minorities Carl Skutsch,2013-11-07 This study of minorities involves the difficult issues of rights justice equality dignity identity autonomy political liberties and cultural freedoms The A Z Encyclopedia presents the facts arguments and areas of contention in over 560 entries in a clear objective manner For a full list of entries contributors and more visit the Encyclopedia of the World s Minorities website

American Missionaries, Christian Oyatoi, and Japan, 1859-73 Hamish Ion,2010-07-01 Japan closed its doors to foreigners for over two hundred years because of religious and political instability caused by Christianity By 1859 foreign residents were once again living in treaty ports in Japan but edicts banning Christianity remained enforced until 1873 Drawing on an impressive array of English and Japanese sources Ion investigates a crucial era in the history of Japanese American relations the formation of Protestant missions He reveals that the transmission of values and beliefs was not a simple matter of acceptance or rejection missionaries and Christian laymen persisted in the face of open hostility and served as important liaisons between East and West

The Nature of the Beasts Ian Jared Miller,2021-01-05 It is widely known that such Western institutions as the museum the university and the penitentiary shaped Japan s emergence as a modern nation state Less commonly recognized is the role played by the distinctly hybrid institution at once museum laboratory and prison of the zoological garden In this

eye opening study of Japan's first modern zoo Tokyo's Ueno Imperial Zoological Gardens opened in 1882 Ian Jared Miller offers a refreshingly unconventional narrative of Japan's rapid modernization and changing relationship with the natural world As the first zoological garden in the world not built under the sway of a Western imperial regime the Ueno Zoo served not only as a staple attraction in the nation's capital an institutional marker of national accomplishment but also as a site for the propagation of a new natural order that was scientifically verifiable and evolutionarily foreordained As the Japanese empire grew Ueno became one of the primary sites of imperialist spectacle a microcosm of the empire that could be traveled in the course of a single day The meaning of the zoo would change over the course of Imperial Japan's unraveling and subsequent Allied occupation Today it remains one of Japan's most frequently visited places But instead of empire in its classic political sense it now bespeaks the ambivalent dominion of the human species over the natural environment harkening back to its imperial roots even as it asks us to question our exploitation of the planet's resources

As recognized, adventure as skillfully as experience not quite lesson, amusement, as well as conformity can be gotten by just checking out a book **Modern History Of Japan From Tokugawa Times To The Present** plus it is not directly done, you could put up with even more concerning this life, around the world.

We provide you this proper as skillfully as easy pretension to get those all. Modern History Of Japan From Tokugawa Times To The Present Introduction

In today's digital age, the availability of Modern History Of Japan From Tokugawa Times To The Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modern History Of Japan From Tokugawa Times To The Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modern History Of Japan From Tokugawa Times To The Present books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modern History Of Japan From Tokugawa Times To The Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modern History Of Japan From Tokugawa Times To The Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modern History Of Japan From Tokugawa Times To The Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modern History Of Japan From Tokugawa Times To The Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modern History Of Japan From Tokugawa Times To The Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modern History Of Japan From Tokugawa Times To The Present books and manuals for download and embark on your journey of knowledge?

FAQs About Modern History Of Japan From Tokugawa Times To The Present Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
