enterprise and to strengthen the UK's approach to bankruptcy and corporate rescue. In a similar vein, a recent reform in France has modernised French insolvency law and even introduced a tool similar to the successful English company voluntary arrangement (CVA). This book provides a collection of studies by some of the leading English and French experts today analysing current perspectives of insolvency and financial law in Europe both on the national as well as on the European level.

European Perspectives on Producers' Liability Martin Ebers, André Janssen, Olaf Meyer, 2009-10-16. A growing number of countries recognise a direct producers liability for non conforming goods. The European Commission has considered the introduction of an EU wide direct producers liability for a long time. Will there be new responsibilities for producers in the future? This book compiles national reports from 24 European countries on the sale of goods law as well as the consumer's remedies for non conforming goods and the final seller's right of redress. A comparative report informs about the different models of producers liability and their impact on the internal market. Beneficial for practitioners working in the field of consumer contract law and sale of goods law.

Ireland Business Law Handbook Volume 1 Strategic Information and Basic Laws IBP USA, 2013-08. Ireland Business Law Handbook Strategic Information and Basic Laws.

The British National Bibliography Arthur James Wells, 2006. *American Book Publishing Record*, 2006. **European Private Law - Current Status and Perspectives** Reiner Schulze, Hans Schulte-Nölke, 2011-03-30. Business law and labour law are driving forces and core areas of European private law. New concepts and approaches are thus required that are not limited to civil law and that are different from those traditionally embraced by national private law. These new challenges regarding the current status and perspectives of European private law are discussed in this volume by sixteen highly reputed researchers from across Europe. The contributions concern various areas of European private law including contract, property, company, competition and labour law. This book will be an invaluable source for all those working on European law and private law within Europe.

Consumer Law and Policy Iain Ramsay, 2012-10-25. This new edition continues to provide a critical introduction to the legal regulation of consumer markets, situating it within the context of broader debates about rationales for regulation, the role of the state and the growth of neo-liberalism. It draws on interdisciplinary sources, assessing for example the increased influence of behavioural economics on consumer law. It analyses the Europeanisation of consumer law and the tensions between neo-liberalism and the social market, consumer protection and consumer choice in the establishment of the single market, ground rules. The book also assesses national, regional and international responses to the world financial crisis as reflected in the regulation of consumer credit markets. This edition incorporates recent legislative and judicial developments of the law, blending substantial extracts from primary UK, EU and international legal materials.

The Yearbook of Consumer Law 2009 Annette Nordhausen, Geraint Howells, 2016-02-17. EU Private Law and the CISG Zvonimir Slakoper, Ivan Tot, 2021-09-30 EU Private Law and the CISG examines selected EU directives in the field of private law and their effects on the national private law systems of several EU Member States and discusses certain specific concepts of the United Nations Convention on Contracts for the International Sale of Goods CISG in light of the CISG's recent fortieth anniversary The most prominent influence of EU law on national private law systems is in the area of the law of obligations thus the book focuses on several EU private law directives that cover the issues belonging to contract and tort law as interpreted in the case law of the Court of Justice of the EU EU private law concepts need to be interpreted autonomously and uniformly rather than through the lens of national private law systems The same is true for the CISG which has not only been one of the most successful instruments of the international trade law unification but had also influenced both the EU private law and domestic laws In Part I focused on the EU private law and its effects for national laws chapters examine the recent Digital Content and Services Directive and its likely impact on the contract law of the UK and Ireland the role aggressive commercial practices play in EU banking and credit legislation the applicability of the EU private international law rules to collective redress the unfair contract terms regime of the Late Payment Directive and its transposition into Croatian law the implementation of the Commercial Agency Directive in Denmark Estonia and Germany and disgorgement of profits as remedy provided in the Trade Secrets Directive In Part II dealing with selected CISG issues chapters discuss the autonomous interpretation of CISG's concept of sale by auction and its notion of intellectual property as well as the CISG's principle of freedom of form and the possibility for reservations with the effect of its exclusion The book will be of interest to legal scholars in the field of EU private law and international trade law as well as to the students practitioners members of law reform bodies and civil servants in Europe and beyond

Contract Law and the Legislature TT Arvind, Jenny Steele, 2020-08-06 This volume revisits some of the key debates about the nature and shape of contract law in light of the impact that statutes have had on its development With contributions from leading contract law scholars it fills a significant gap in existing theoretical and doctrinal analyses of contract law which rely primarily on cases to put forward accounts of the general principles and structure of contract law Statutory rules are typically seen as being specific instances of legal regulation that carve out exceptions to these general principles for specific reasons of policy This treatment of these rules has resulted in an incomplete understanding of the nature of contract law and the principles that underpin it By drawing specifically on contract statutes the volume produces a more complete picture of modern contract law A companion to the ground breaking Tort Law and the Legislature Common Law Statute and the Dynamics of Legal Change Hart Publishing 2012

this collection will have a significant impact on the study of contract law

European Consumer Protection James Devenney, Mel Kenny, 2012-04-05 This volume analyses the theory and practice of European consumer protection in the context of consolidation initiatives seen inter alia in the revision of the Consumer Acquis the Draft Common Frame of Reference and the proposal for an EU Consumer Rights Directive The issues addressed are all the more significant given the revisions to the proposed Directive the appointment of an Expert Group on a Common Frame of Reference and the Commission's 2010 Green Paper on progress towards a European Contract Law The contributions to this volume point to the arrival of a contested moment in EU consumer protection questioning the arrival of the empowered consumer and uncovering the fault lines between consumer protection and other goals What emerges is a model of poly contextual EU consumer protection law a model that challenges the assumptions in both the 2010 Green Paper and the revised proposed Consumer Rights Directive

International Responses to Issues of Credit and Over-indebtedness in the Wake of Crisis Therese Wilson, 2016-04-22 This book explores the political economic and regulatory context in which credit regulation is taking place following the global financial crisis It suggests that current neoliberal economic policies favour multi national corporations rather than consumers and examines regulatory responses to the internationalization of consumer finance protection Detailing how EU consumers have been affected by national economic conditions the book also analyses the lending regimes of Europe Australia the US and South Africa and offers suggestions for responsible lending to avoid over indebtedness and corrupt mortgage lending Finally new approaches and directions for consumer credit regulations are outlined such as protection for small businesses protection against risky credit products reorganization of mortgage securitization and the possibility of a partnership model to address financial exclusion The book includes contributions from leading names in the field of consumer law and will be invaluable to those interested in banking business and commercial law

Consumer Protection and the Criminal Law Peter Cartwright, 2001-10-04 The nature of criminal law doctrines such as strict corporate and vicarious liability and suggests that such doctrines require re evaluation in the light of the reality of the corporate entity This study will be of interest to academics undergraduate and post graduate students and practitioners inciples of each device's operation and presents a block circuit diagram Next he analyzes these real world circuits in detail and finally he discusses the present state of the art This approach will help to integrate the many different aspects of an electrical engineer's course work from physical optics to digital signal processing as never before Very accessible and containing over 350 illustrations and many exercises
