**JG Myers**

## **Modern Italy Images And History Of A National Identity:**

Modern Italy, 1982      *Modern Italy*, 2002      **Modern Italy** Carlo Bertelli, Alberto Abruzzese, 1983      *Modern Italy*, 1982      Modern Italy, 1984      *Italy in the Nineteenth Century* John A. Davis, 2000-09-21 The Short Oxford History of Italy series in seven volumes will offer a complete History of Italy from the early middle ages to the present and in each period will present the most recent historical perspectives on Italian history This means setting Italian history in the broader context of European history as a whole It also means questioning accepted interpretations of Italian history in each of these periods and in particular the idea that Italy's history has been significantly different from that of the rest of Europe Each volume will emphasise how developments in Italy in each period are best understood as variants on broader European patterns of political economic social and cultural change This volume covers the period from the French Revolution to the end of the Nineteenth Century Consisting of nine essays written by leading British and American historians the volume shows how Italy's unexpected political unification and independence were inseparable from the impact of the broader processes of modernisation that were changing the face of Europe and the fabric of European society The social and political tensions that fuelled the struggles for independence were rooted in Italy's difficult modernisation which continued thereafter to threaten the consolidation of the new Italian state But Italy's difficult modernisation did not preclude real change and although Italy entered the twentieth century as a highly imperfect democracy it was not noticeably more imperfect illiberal or divided than its nineteenth century European counterparts nor did the new challenges posed by the rise of mass society make fascism an inevitable outcome of the Risorgimento Italy in the Nineteenth Century provides both the general and specialist reader with a critical but concise introduction to the most recent historical debates and perspectives      **The Rise and Fall of American Art, 1940s-1980s** Assoc Prof Catherine Dossin, 2015-03-28 This book challenges the perception of New York as the undisputed center of the art world between the end of World War II and the fall of the Berlin Wall a position of power that brought the city prestige money and historical recognition In her transnational and interdisciplinary study Dossin analyses changing distributions of geopolitical and symbolic power in the Western art worlds a story that spans two continents forty years and hundreds of actors      The Rise and Fall of American Art, 1940s-1980s Catherine Dossin, 2016-03-03 In *The Rise and Fall of American Art 1940s 1980s* Catherine Dossin challenges the now mythic perception of New York as the undisputed center of the art world between the end of World War II and the fall of the Berlin Wall a position of power that brought the city prestige money and historical recognition Dossin reconstructs the concrete factors that led to the shift of international attention from Paris to New York in the 1950s and documents how peripheries such as Italy Belgium and West Germany exerted a decisive influence on this displacement of power As the US economy sank into recession in the 1970s however American artists and dealers became increasingly dependent on the support of Western Europeans and cities like Cologne and Turin emerged as major commercial and artistic hubs a development that enabled European artists to return to the

forefront of the international art scene in the 1980s Dossin analyses in detail these changing distributions of geopolitical and symbolic power in the Western art worlds a story that spans two continents forty years and hundreds of actors Her transnational and interdisciplinary study provides an original and welcome supplement to more traditional formal and national readings of the period *Italia moderna. Immagini e storia di un'identità nazionale. Ediz. inglese* O. Calabrese, 1983

**Living the Revolution** Jennifer Guglielmo, 2010 Italians were the largest group of immigrants to the United States at the turn of the twentieth century and hundreds of thousands led and participated in some of the period's most volatile labor strikes Yet until now Italian women's political activism **White on Arrival** Thomas A. Guglielmo, 2004-09-30 Taking the mass Italian immigration of the late 19th century as his starting point and drawing on dozens of oral histories and a diverse array of primary sources in English and Italian Guglielmo focuses on how perceptions of Italians race and color were shaped in one of America's great centers of immigration and labor Chicago His account skillfully weaves together the major events of Chicago immigrant history the Chicago Color Riot of 1919 the rise of Italian organized crime and the rise of industrial unionism with national and international events such as the rise of fascism and the Italian Ethiopian War of 1935-36 to present the story of how Italians approached learned and lived race By tracking their evolving position in the city's racial hierarchy Guglielmo reveals the impact of racial classification both formal and informal on immigrants abilities to acquire homes and jobs start families and gain opportunities in America **White on Arrival** was the winner of the 2004 Frederick Jackson Turner Award of the Organization of American Historians Italian Design Giampiero Bosoni, Museum of Modern Art (New York, N.Y.), 2008 The story of Italian design told through works selected from the collection of the museum of modern art New York **BOOK JACKET** Modern Italy: from unification to the new century, **Pietro Mascagni and His Operas** Alan Mallach, 2002 Just twenty six when the electrifying premiere of his *Cavalleria Rusticana* at the Teatro Costanzi in Rome catapulted the impoverished musician into sudden fame and fortune Pietro Mascagni 1863-1945 went on to write fifteen more operas including *L'Amico Fritz* Guglielmo Ratcliff *Iris* Parisina and *Il Piccolo Marat* With privileged access to extensive primary sources including Mascagni's 400 letters to Anna Lolli his mistress for more than three decades author Alan Mallach provides a compelling portrait of a flamboyant combative and emotional man who was passionately devoted to the Italian opera tradition and committed to innovation in musical language and dramatic form Deftly combining serious biography with critical commentary Mallach begins with the captivating story of Mascagni's rags to riches adventure from his birth in Livorno in Tuscany to his musical studies first with Alfredo Soffredini and later at the Milan Conservatory to his years as a vagabond musician to the worldwide success of his breakthrough opera He then traces Mascagni's private and professional life after *Cavalleria* examining a prolific yet controversial career that was forever overshadowed by the work that unexpectedly thrust him into the limelight Mallach provides a full analysis of Mascagni's oeuvre and discusses his complex relationships with such Italian cultural and political figures as Edoardo Sonzogno Giacomo Puccini Gabriele D

Annunzio Luigi Illica and Benito Mussolini He also thoroughly chronicles Mascagni's bouts with manic depression his marriage to Lina and devotion to their three children his grueling schedule of concert and operatic tours his patriotism and bitter opposition to Italy's involvement in both world wars and his passionate love affair with Anna Lolli This richly textured biography will appeal to fans of the still beloved and popular Cavalleria and it will introduce opera enthusiasts to the power intensity and melodic beauty of the brilliant composer's many other significant works *Murder and Media in the New Rome* T. Simpson, 2010-12-12 An insightful look into the origins of modern Italian media culture by examining a sensational crime and trial that took place in Rome in the late 1870s when a bloody murder triggered a national spectacle that became the first great media circus in the new nation of Italy crucially shaping the young state's public sphere and image of itself

*Dolce Vita Confidential: Fellini, Loren, Pucci, Paparazzi, and the Swinging High Life of 1950s Rome* Shawn Levy, 2016-10-04 A brisk frothy narrative informative and fun The Wall Street Journal In the dizzying wake of World War II Rome skyrocketed to prominence as an epicenter of film fashion photography and boldfaced libertinism Artists exiles and a dazzling array of movie talent rushed to Rome for a chance to thrive in this hotbed of excitement From the photographers who tailed the stars to the legends who secured their place in cinematic fame *Dolce Vita Confidential* resurrects the drama that permeated the streets and screens of Rome Cinema and Fascism Steven Ricci, 2008-02 This study considers Italian filmmaking during the Fascist era and offers an original and revealing approach to the interwar years Steven Ricci directly confronts a long standing dilemma faced by cultural historians while made during a period of totalitarian government these films are neither propagandistic nor openly Fascist Instead the Italian Fascist regime attempted to build ideological consensus by erasing markers of class and regional difference and by circulating terms for an imaginary national identity *Cinema and Fascism* investigates the complex relationship between the totalitarian regime and Italian cinema It looks at the films themselves the industry and the role of cinema in daily life and offers new insights into this important but neglected period in cinema history Book cover **Civil War and Agrarian Unrest** Enrico Dal Lago, 2018-03-15 Between 1861 and 1865 both the Confederate South and Southern Italy underwent dramatic processes of nation building with the creation of the Confederate States of America and the Kingdom of Italy in the midst of civil wars This is the first book that compares these parallel developments by focusing on the Unionist and pro Bourbon political forces that opposed the two new nations in inner civil conflicts Overlapping these conflicts were the social revolutions triggered by the rebellions of American slaves and Southern Italian peasants against the slaveholding and landowning elites Utilizing a comparative perspective Enrico Dal Lago sheds light on the reasons why these combined factors of internal opposition proved fatal for the Confederacy in the American Civil War while the Italian Kingdom survived its own civil war At the heart of this comparison is a desire to understand how and why nineteenth century nations rose and either endured or disappeared Blood and Power John Foot, 2022-06-09 Clear cool plainly written and devastating Lucy Hughes Hallett Times Literary Supplement A major history

of the rise and fall of Italian fascism a dark tale of violence ideals and a country at war In the aftermath of the First World War the seeds of fascism were sown in Italy While the country reeled in shock a new movement emerged from the chaos one that preached hatred for politicians and love for the fatherland one that promised to build a New Roman Empire and make Italy a great power once again Wearing black shirts and wielding guns knives and truncheons the proponents of fascism embraced a climate of violence and rampant masculinity Led by Benito Mussolini they would systematically destroy the organisations of the left murdering and torturing anyone who got in their way In *Blood and Power* historian John Foot draws on decades of research to chart the turbulent years between 1915 and 1945 and beyond Drawing widely from accounts of people across the political spectrum fascists anti fascists communists anarchists victims perpetrators and bystanders he tells the story of fascism and its legacy which still disturbingly reverberates to this day

*Geography, Science and National Identity* Charles W. J. Withers, 2001-10-04 Charles Withers book brings together work on the history of geography and the history of science with extensive archival analysis to explore how geographical knowledge has been used to shape an understanding of the nation Using Scotland as an exemplar the author places geographical knowledge in its wider intellectual context to afford insights into perspectives of empire national identity and the geographies of science In so doing he advances a new area of geographical enquiry the historical geography of geographical knowledge and demonstrates how and why different forms of geographical knowledge have been used in the past to constitute national identity and where those forms were constructed and received The book will make an important contribution to the study of nationhood and empire and will therefore interest historians as well as students of historical geography and historians of science It is theoretically engaging empirically rich and beautifully illustrated
