Allen, 2024-04-18 The eloquent and uncompromising calls for social righteousness by the Minor Prophets are familiar to many yet the writings themselves are probably the least studied and least known texts of the Old Testament Those who are familiar with these books are also aware of the historical and literary problems that plague their study Drawing on theological historical and literary insights Leslie Allen's commentary on Joel Obadiah Jonah and Micah carefully and imaginatively reconstructs the context in which the original Hebrew audience received the prophets messages In turn Allen shows what

relevance they hold for contemporary Christians For each of the books Allen includes a substantial introduction presenting and assessing a broad range of scholarship a select bibliography and an extensive commentary on the author s own translation of the text Allen pays special attention to Micah in which he treats at greater length many of the forms and motifs that also appear in Joel Obadiah and Jonah The introductory material for Joel includes discussions of canonicity and textual criticism that apply to the entire volume      **An Introduction to the Old Testament Prophetic Books** C. Hassell

Bullock,2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them      **The**

**Message of the Twelve** Al Fuhr,Gary Yates,2016-09-01 Although they ministered for more than three centuries during some of Israel s most tumultuous days the Minor Prophets remain a mystery to many Christians in the 21st century Old Testament scholars Richard Alan Fuhr Jr and Gary E Yates believe that the message of the twelve Minor Prophets is relevant for the church today and they re introduce these important books of the Bible to contemporary Christians Ideal for use as a textbook as well as for personal study The Message of the Twelve surveys the historical background of each prophetic book the prophet s message and themes as well as the book s place in the biblical canon The authors also provide in depth exposition of each book from Hosea s metaphor of Israel s infidelity and Nahum s warnings of foreign judgments to Haggai s postexilic call and Malachi s vision of future restoration The Message of the Twelve goes beyond typical biblical surveys to examine the key interpretive issues in each book including important literary insights from the Hebrew text Drawing on the prophets proclamations to ancient Israel and Judah the authors emphasize that the church today must heed the call to reject apathy and return to a vibrant relationship with the living God      **INTERNATIONAL JOURNAL OF INTEGRATIVE HUMANISM**
