Modern Music, 1928 **Sacrifice and Modern War Literature** Alex Houen, Jan-Melissa Schramm, 2018-06-14 *Sacrifice and Modern War Literature* is the first book to explore how writers from the early nineteenth century to the present have addressed the intimacy of sacrifice and war It has been common for critics to argue that after the First World War many of the cultural and religious values associated with sacrifice have been increasingly rejected by writers and others However this volume shows that literature has continued to address how different conceptions of sacrifice have been invoked in times of war to convert losses into gains or ideals While those conceptions have sometimes been rooted in a secular rationalism that values lost lives in terms of political or national

victories spiritual and religious conceptions of sacrifice are also still in evidence as with the martyrdom operations of jihadis fighting against the war on terror Each chapter presents fresh insights into the literature of a particular conflict and the contributions explore major war writers including Wordsworth Kipling Ford Madox Ford and Elizabeth Bowen as well as lesser known authors such as Dora Sigerson Richard Aldington Thomas Kinsella and Nadeem Aslam The volume covers multiple genres including novels poetry particularly elegy and lyric memoirs and some films The contributions address a rich array of topics related to wartime sacrifice including scapegoating martyrdom religious faith tragedy heroism altruism bare life atonement and redemption

The Disney Song Encyclopedia Thomas S. Hischak, Mark A. Robinson, 2009-07-29 Songs written for Disney productions over the decades have become a potent part of American popular culture Since most Americans first discovered these songs in their youth they hold a special place in one's consciousness The Disney Song Encyclopedia describes and discusses hundreds of famous and not so famous songs from Disney films television Broadway and theme parks from the 1930s to the present day Over 900 songs are given individual entries and presented in alphabetical order The songwriters and original singers are identified as well as the source of the song and other venues in which it might have been used over the years Notable recordings of the song are also listed But most important the song is described and what makes it memorable is discussed This is not a reference list but a true encyclopedia of Disney songs The book also contains a preface describing the criteria for selecting the songs a glossary of song terms a list of all the Disney songs and their sources a songwriter's directory in which every song by each composer lyricist is listed a bibliography a guide to recordings and DVDs of Disney productions and an index of people and titles
