Modern British Politics:

Memory and Modern British Politics Matthew Roberts, 2023-12-14 This edited collection explores absence presence and remembrance in British political culture and memory studies Comprehensive in its scope it covers the entire modern period bringing together the 19th and 20th centuries as well as Britain Ireland and the Atlantic World As the first comparative and in depth study to explore the central and contested place of memory and the invention of tradition in modern British politics chapters include memorialisation statue mania anniversaries and on the wider impact and invoking of dead generations In doing so this book provides a new exciting and accessible way of engaging with the history of British political culture **The Making of Modern British Politics, 1867-1939** Martin Pugh, 1982 *The Republican Transformation of Modern British Politics* G. Foote, 2015-12-17 An original study of a major change in the political thought of modern Britain arguing that the period between 1956 and 1968 saw a seminal change in political thinking which created the framework of today's politics A republican tradition of active citizenship community and democracy was developed within the New Left and the radical Liberals around Jo Grimond The Right whose republican version of a property owners democracy was developed by Michael Oakeshott and Enoch Powell completed the new political framework **The Modern British Party System** Paul Webb, 2000-09-22 Providing a complete up to date overview of the changing nature of contemporary party politics in Britain this book draws on models of comparative politics and the latest empirical analysis to explain the capacity of British parties to adapt to a changing political environment A number of broad themes include the nature and extent of party competition the internal life and organizational development of parties the variety of evolving party systems in the United Kingdom and the links between parties and the wider political system The current weaknesses of party performance are addressed and the scope of reform explained and examined Contrary to claims of decline however the book demonstrates that party politics

Modern British Politics , 1971 The Making of Modern British Politics, 1867-1939 Martin Pugh, 1993 *Considering Conservative Women in the Gendering of Modern British Politics* Clarisse Berthezène, Julie V. Gottlieb, 2020-12-17 This volume examines how the British Conservative Party has appealed to women the roles that women have played in the party and the tense relationship between women's activism on the Right and feminism Covering the period since the early 20th century the contributions each question assumptions about the reactionary response of the British Right Margaret Thatcher's party to women's issues and to their political aspirations How have women been mobilized by the Conservative Party What kind of party appeals has the British Conservative Party designed to attract women as party workers and as voters Developing successful strategies to attract women voters since 1918 and appealing to certain notional women's issues and having produced the only two women Prime Ministers of the UK the Conservative Party has its own special relationship with women in the modern period The shifting status of women and opportunities for women in politics in modern Britain has been garnering more scholarly attention recently and the centenary of women's partial suffrage in 2018 and Astor 100 in

2019 has done much to excite wider attention and public interest in these debates However the role of Conservative women has too often been seen as problematic especially because of general assumption that feminism is only allied to leftist movements and political positions This volume explores these themes through a range of case studies covering the period from the early 20th to the 21st century The chapters in this book were originally published as a special issue of the journal *Women's History Review* **History, Heritage and Tradition in Contemporary British Politics** Emily Robinson, 2016-03 This book explores the uses of the past in modern British politics It looks at the way in which political parties construct and remember their pasts through archives histories and commemorations *Making Reputations* Richard Toye, Julie Gottlieb, 2005-08-26 Is a charismatic leader also an effective one What role do commentators and historians have in shaping politicians personae *Making Reputations* provides a major new assessment of the role of individuals in British politics The authors examine the personalities and rhetoric of key figures such as Gladstone Churchill Thatcher and Blair as well as shedding new light on other neglected but significant individuals Drawing on a variety of methods from gender to cultural history the book presents a comprehensive examination of the relationship between the individual and the pursuit maintenance and execution of power *Exploring British Politics* Mark Garnett, Philip Lynch, 2014-06-03 Concise comprehensive and accessible *Exploring British Politics* presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945 Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance **Modern British Politics, Etc** Samuel Hutchison Beer, 1965 **The Oxford Handbook of Modern British Political History, 1800-2000** David Brown, Robert Crowcroft, Gordon Pentland, 2018-03-29 The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed the duties of the state and its role in the wider world Powerful processes from the development of democracy the changing nature of the social contract war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed Such shifts have also presented challenges to the historians who have researched and written about Britain's past politics This Handbook shows the ways in which political historians have responded to these challenges providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies It comprises thirty three thematic essays by leading and emerging scholars in the field Collectively these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain's political past and a thought provoking long view for those interested in current political challenges *The New British Politics* Ian Budge, David McKay, Kenneth Newton, John Bartle, 2013-12-16 The New British Politics is one of the most comprehensive and successful

introductions to British politics ever published Now available in a fully revised and updated fourth edition this clear lively and authoritative text has an emphasis on law and order and the historical context of British politics Written by internationally known specialists the book combines incisive and original analysis with direct presentation *The Impact of Labour 1920-1924* Maurice Cowling, 2005-02-17 This book is primarily an account of the initiatives of politicians and their reactions to one another British Politics: The Basics Bill Jones, 2015-12-14 Over the last two decades British politics has undergone a remarkable transformation While some components of the system have been eroded such as voter turnout and membership of the big parties other parts have flourished such as nationalist parties the insurgent UKIP as well as the new media British Politics The Basics analyses these changes and places them within the context of the evolution of British society from absolute monarchy to representative democracy It considers each of the major components of British politics such as the Monarchy and the House of Lords the Commons voting behaviour parties and pressure groups the Prime Minister and Cabinet devolution local government and foreign policy Its contents include coverage of recent events such as the Scottish Referendum and the 2015 General Election This readable and comprehensive introduction will be of key interest to A level students undergraduates and those new to the study of British politics *Mastering British politics* F.N. Forman, 2016-08-16 Providing an introduction to British politics this book aims to facilitate a better understanding of the political system It covers the history the constitutional framework the traditions and culture and the structure and procedures of the democratic process of government in Britain The Cost of Democracy K D Ewing, 2007-03-09 Party funding has given rise to great controversy since 1997 and continues to do so In recent years row has followed row from million pound donations to the so called loans for peerages affair The question was the subject of an official investigation by Sir Hayden Phillips whose blueprint for reform was produced in March 2007 This book charts the evolution of the party funding problem in recent years and explores the weaknesses of the Political Parties Elections and Referendums Act 2000 which was enacted in a vain attempt to clean up British politics The book sets out a number of core principles which should inform the development of public policy in this field and examines the different strategies for the implementation of these principles Having regard to the experience of other countries including Canada Germany and Sweden a radical framework of reform is proposed designed to address the emerging crisis of party government with serious implications for democracy itself The main concern is with the development of bold reform initiatives to encourage political parties to recruit and retain members and give members rights in relation to the government and administration of these parties This thoughtful yet hard hitting account by one of the leading scholars in the field will be of interest to constitutional lawyers and political scientists as well as journalists and those with an interest in the way we are governed *The End of British Politics?* Michael Moran, 2017-02-08 This book explores the crisis of the British state Though it has been particularly apparent since the outcome of both the 2014 Scottish independence and 2016 Brexit referendums it stems from deep historical roots The book traces the origins of the state to the

original Act of Union of 1707 and demonstrates how different notions of British destiny Protestant imperial social democratic have held the state together at different times The present crisis it is argued is due to the exhaustion of these senses of destiny Moran shows how the United Kingdom is now held together as a militarised state prone to disastrous adventures like the invasion of Iraq and concludes by examining some alternative futures for the state This book will appeal to students scholars and the general reader interested in British politics and political history **British Politics** Bill Jones, 2020-11-03 Fully updated and expanded the second edition of this still compact text on British politics expertly analyses the major changes in British political life placing them revealingly within the context of the evolution of British society from absolute monarchy to representative democracy The author considers each of the major components of British politics in digestible chapters such as the Monarchy and the House of Lords the Commons voting behaviour parties and pressure groups the prime minister and cabinet devolution local government and foreign policy The book includes two new chapters on the EU referendum and Brexit and the extraordinary December 2019 election as well as coverage of events such as the coronavirus pandemic and the respective travails of the increasingly split two major political parties This readable and comprehensive introduction will be of key interest to A level students undergraduates and those new to the study of British politics

Modern British Politics Samuel Hutchison Beer, 1982 Assesses the nature of contemporary British politics through an examination of the evolution and structure of political parties and interest groups
