Alison. Phillips (M. A.),2000 *Modern Europe, 1815-1899* W. Alison Phillips,2015-06-04 Excerpt from Modern Europe 1815 1899 Vol 8 In any attempt to deal in a small space with a vast subject it is clear that a bold use must be made of the art of arts that of leaving out and by the skill with which this art is exhibited in it the quality of a historical work as of a painting may be largely determined In writing the following pages I have tried to

keep this truth constantly before me with what success I must leave to the kindly judgment of my readers For the guidance of this judgment however it would perhaps be well to state briefly the principles of omission and inclusion on which I have proceeded In general I have preferred to risk the charge of leaving out much that is essential rather than by undue compression to crowd my canvas with a mere lifeless diagram of facts My aim has been not to paint a finished picture but to give a sketch which sometimes with less sometimes with more detail shall always suggest more than it shows on the surface and serve as an incentive and a guide to those who may wish to pursue the subject for themselves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
