## **Modern Marriage:**

I Do (I Think) Allison Raskin, 2024-10-15 Marriage norms in today's society are rapidly changing and it can be hard to keep up. Allison Raskin's book unpacks the questions and uncertainties around marriage that so many of us have. A must read for anyone and everyone that may be curious about the intricacies of modern marriage. Nick Viall, TV Personality Host of *The Viall Files* and Bestselling Author *From Just Between Us*, cohost and bestselling author Allison Raskin comes with a witty incisive take on modern marriage and how a new generation can navigate its uncertainties and questions. Marriage rates may be on the decline but that doesn't mean marriage is disappearing from society. In fact, as modern relationship norms and structures continue to evolve, the public discourse about marriage has never been louder or more conflicted. Divorce rates, the appeal of cohabitation, seemingly infinite options for future partners, the patriarchal roots of marriage and gender roles, and economic uncertainty are just a few factors that leave a new generation of single and dating adults wondering: What does marriage even look like now? Why do people still do it? And most importantly, is it for me? With conversational wit and compassion, bestselling author Allison Raskin draws on new research, interviews with licensed experts, and the stories of real-life couples to break down the many pieces of today's marriage conversation and to make the leap of faith a little less scary for Gen Z and millennial adults like herself. What emerges is a thoughtful investigation into our cultural assumptions about commitment, compatibility, divorce, meaningful partnership, the future of marriage, and what it really means to join your bank accounts.

**Building a Reality-Based Relationship** Liberty Kovacs, 2007-12 In 1967, as a novice marriage and family therapist counseling a growing number of troubled spouses living in unhappy marriages, Dr. Liberty Kovacs realized a need for a workable, realistic model for successful marital therapy. Drawing on her forty years of professional experience, real-world cases, and studies, Dr. Kovacs shares her model for the modern marriage. Kovacs maps the journey shared by couples across six unique and all-important marital stages: honeymoon, expectation, power struggle, seven-year itch, reconciliation, and acceptance. Along the way, they develop a clearer understanding of their identities as individuals and of their fit together. Dr. Kovacs has used her powerful marriage model with thousands of couples with an overwhelmingly positive response, and in this invaluable and interactive workbook, she delivers all the tools you and your partner need to explore and develop your own identities, further your understanding of individual couple and family dynamics, increasingly value one another, lay a foundation for a relationship based on mutual love and respect. Whether you are in a relationship, want to be in a relationship, or have even failed at relationships, this hopeful and motivating guide provides down-to-earth, insightful advice on building the relationship you want and deserve.
