Ray Francis first book *Never Be Sick Again* helped thousands of people put their incurable diseases into remission and  
enabled thousands more to shed excess weight improve their cholesterol profiles and achieve peak immunity from disease  
Now Francis brings his revolutionary approach to anyone who wants to enjoy robust health and wellness and reverse  
accelerated aging As Francis explains just like an automobile the body ages as a result of accumulated repair deficits or a  
lack of maintenance Fortunately the human body is a self repairing system and in this latest book Francis shows readers how  
to stay in good repair and keep the aging process at bay His revolutionary approach counters the one size fits all approach of  
most conventional anti aging treatments on the market by targeting specific imbalances that manifest through aging  
symptoms Botox injections plastic surgery and even hormone replacement therapies don t yield meaningful results because  
they fail to activate the body s self repair mechanisms what s more sometimes these treatments compound the problem by  
introducing additional toxins into the body *Never Feel Old Again* provides a fundamental understanding of why we  
experience accelerated aging and teaches readers to look and feel their best and be healthy at any age      **The**
