*Ottomiller's Index to Plays in Collections* Denise L. Montgomery, 2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller's Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide [A Selective List of Plays for Amateurs ...](#) Drama League of America. Boston Center, 1915 **Course of Study in English ...** New Jersey. Dept. of Public Instruction, 1926 **Critical Perspectives on Contemporary Plays by Women** Penny Farfan, Lesley Ferris, 2021-07-22 This book foregrounds some of the ways in which women playwrights from across a range of contexts and working in a variety of forms and styles are illuminating the contemporary world while also contributing to its reshaping as they reflect rethink and reimagine it through their work for the stage The book is framed by a substantial introduction that sets forth the critical vision and structure of the book as a whole and an afterword that points toward emerging currents in and expansions of the contemporary field of playwriting by women on the cusp of the third decade of the twenty first century Within this frame the twenty eight chapters that form the main body of the book each focusing on a single play of critical significance together constitute a multi faceted inevitably partial yet nonetheless integral picture of the work of women playwrights since 2000 as they engage with some of the most pressing issues of our time Some of these issues include the continuing oppression of and violence against women people of color LGBTQ people and ethnic minorities the ongoing processes of decolonization the consequences of neoliberal capitalism the devastation and enduring trauma of war global migration and the refugee crisis the turn to right wing populism and the impact of climate change including environmental disaster and species extinction The book is structured into seven sections *Replaying the Canon* *Representing Histories* *Staging Lives* *Reimagining Family* *Navigating Communities* *Articulating Intersections* and *New World Order's* These sections group clusters of plays according to the broad critical actions they perform or in the case of the final section the new world orders that they capture through their stagings of the seeming impasse of the politically and environmentally catastrophic global present moment There are many other points of resonance among and across the plays but this seven part structure foregrounds the broader actions that drive the plays both in the Aristotelian dramaturgical sense and in the larger sense of the critical interventions that the plays creatively enact In this way the seven part structure establishes correspondences across the great diversity of dramatic material represented in the book while at the same time identifying key methods of critical approach and areas of focus that align the book's contributors across this diversity The structure of the book thus parallels what the playwrights themselves are doing but also

how the contributors are approaching their work Plays featured in the book are from Canada Australia South Africa the US the UK France Argentina New Zealand Syria Brazil Italy and Austria the playwrights include Margaret Atwood Leah Purcell Ya I Farber Paula Vogel Adrienne Kennedy Suzan Lori Parks debbie tucker green Lisa Loomer H I ne Cixous Anna Deavere Smith Lola Arias Lisa Kron and Jeanine Tesori Marie Clements Quiara Alegr a Hudes Alia Bano Holly Hughes Whiti Hereaka Julia Cho Liwaa Yazji Grace Pass Dominique Morisseau Emma Dante Frances Ya Chu Cowhig Lynn Nottage Elfriede Jelinek Caryl Churchill Colleen Murphy and Lucy Kirkwood Encompassing several generations of playwrights and scholars ranging from the most senior to mid career to emerging voices the book will be essential reading for established researchers a valuable learning resource for students at all levels and a useful and accessible guide for theatre practitioners and interested theatre goers **The Open Shelf** ,1914 *Modern Indonesian Literature, Volume 1* A.
