The Color of Creatorship Anjali Vats,2020-09-29 The Color of Creatorship examines how copyright trademark and patent discourses work together to

form American ideals around race citizenship and property Working through key moments in intellectual property history since 1790 Anjali Vats reveals that even as they have seemingly evolved American understandings of who is a creator and who is an infringer have remained remarkably racially conservative and consistent over time Vats examines archival legal political and popular culture texts to demonstrate how intellectual properties developed alongside definitions of the good citizen bad citizen and intellectual labor in racialized ways Offering readers a theory of critical race intellectual property Vats historicizes the figure of the citizen creator the white male maker who was incorporated into the national ideology as a key contributor to the nation s moral and economic development She also traces the emergence of racial panics around infringement arguing that the post racial creator exists in opposition to the figure of the hyper racial infringer a national enemy who is the opposite of the hardworking innovative American creator The Color of Creatorship contributes to a rapidly developing conversation in critical race intellectual property Vats argues that once anti racist activists grapple with the underlying racial structures of intellectual property law they can better advocate for strategies that resist the underlying drivers of racially disparate copyright patent and trademark policy *I Thought Jesus Was a Swear Word* Trudy Sherry,2020-11-17 There s a story behind every door As an ICU RN I ve heard thousands of them Stories of hope despair joy and regret The little book you hold in your hand is filled with stories They tell of a woman with childlike faith that lived like the Jesus she met in the Bible Her stories make faith real and practical They will inspire you make you laugh and make you cry They will motivate you to hope to believe and to want to write your own story that leaves a legacy Carolyn Lawson RN CCRN Trudy Sherry was born in Brooklyn NY She and Hub were married for almost sixty years before his death in 2011 She had five children Her son Don resides with his wife Lisa and their son Franklin in Florida Her son Steve passed away and left a wife and four children Trudy lives with her daughter Carolyn in Johnson City TN Her grandchildren Joshua Caitlyn Bella Franklin Gabby Brooke J C Kamryn Kyle Aaron Justin and Kayla all hold a special place in her heart This year she has become a great great grandmother with the addition of Sophia and her newborn sister Selena This is her first book **Christmas stories from "Household words" and "All the year round" and other stories** Charles Dickens,1903 The Hidden Mysteries Deaconess Augustina Omosigho,Patience Oiku,2024-03-22 The creation of the world which consist of humans the universe which comprises of all the existing matter and space as a whole is still a mystery which mankind has not been able to give a concrete answer to Simply put a mystery is best described as something that is difficult or impossible to understand or explain It can also be looked at as something beyond the comprehension of man The Bible tells us that the mystery of God is Jesus Christ now revealed in us Colossians 2 3 KJV In whom are hid all the treasures of wisdom and knowledge From the perspective of the Bible a mystery is something that was hidden at one time but has been made known to the children of God Unravelling the mystery of God is something that is beyond the comprehension of man It is mind blowing and explosive for man to want to unravel it by their own human understanding knowledge or intelligence This can only be achieved through

the help of the Holy Spirit That is why when Jesus was talking to his disciples about his impending crucifixion and resurrection in John 16 verse 13 but whatsoever he shall hear that shall he speak and he will shew you things to come He shall glorify me for he shall receive of mine and shall shew it unto you So this book The Hidden Mystery focus on what aspect of God s word could be termed as mysteries The mystery of conception and birth both physical and spiritual The mystery of Faith The mystery of marriage The mystery of the Word The mystery of Prayer the Mystery of Life The mystery of the cross etc When it comes to the mysteries of God and the truth surrounding the creation of mankind there is a constant battle going on in man s mind The raging battle is centered around belief and unbelief Such battles can only be won by submitting totally to the will of God
