Noahs Daughters:

A Walk through Jubilees James L. Kugel, 2012-03-02 The first part of this book is an extensive verse by verse commentary on the Book of Jubilees Kugel's stated aim is to understand what the text is saying and why it is saying it and in particular to explore the numerous bits of biblical interpretation found in Jubilees and their connection to other exegetical writings of the Second Temple period Subsequent chapters focus on the possibility that Jubilees had more than one author as well as on the book's specific relationship to four other Second Temple texts the Genesis Apocryphon the Aramaic Levi Document 4Q225 Pseudo Jubilees and the writings of Philo of Alexandria

The Chronicles of Noah and Her Sisters Miriam Therese Winter, 2008-07-01 If Genesis and Exodus had been written by a woman what would they be like Reimagined from a woman's perspective these familiar events delight the imagination and stir the soul in refreshing new ways Miriam Therese Winter retells our ancient myths of Creation the Garden and the Flood and chronicles the adventures of the remarkable women of Genesis and Exodus Sarah and Hagar Rebekah Leah Rachel Miriam and many more According to the author she is presenting us with an ancient manuscript that was written long ago by one of the many wives of Solomon This woman writer named Noah feared the loss of women's perspective as written records began replacing oral traditions She wrote these Chronicles to offer another side to the story of our shared myths and memories The Chronicles of Noah and Her Sisters is wonderful spiritual reading and a must for all women and men concerned about handing on the essentials of faith to their daughters and granddaughters

Walking with the Women of the Old Testament Heather Farrell, 2022-12-23 Meet the faithful women God sent to serve alongside His patriarchs We may recognize their names but there is so much more to discover about Sarah Rebekah Hannah Ruth and the seventy other Old Testament women profiled in this book Filled with stunning photography that brings their stories to life this book is an ideal companion to your study of the Old Testament

The Legends of the Jews: Notes to volumes 1 and 2: From the creation to the exodus Louis Ginzberg, 1925

Still Here! Braxton DeGarmo, 2021-10-26 The Apocalypse A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now

The Legends of the Jews: Notes to volumes I and II, from the creation to the Exodus Louis Ginzberg, 1925

Legends of the Jews is a most remarkable and comprehensive compilation of stories connected to the Hebrew Bible It is an indispensable reference on that body of literature known as Midrash the imaginative retelling and elaboration on Bible

stories in which mythological tales about demons and magic co exist with moralistic stories about the piety of the patriarchs

Dramatic Sermonettes by Women of the Bible Colleen Ann Gonzalez,Modenia Joy Kramer,2022-08-01 Join us on our journey as we venture into the exciting world of women in the Bible We discover that these women of ancient days had the same passionate longings joys fears and disappointments we women have today Transform the stories of biblical women from the dry printed page into the living essence of dramatic presentations Learn how to write and present your own characters or use our sermonettes to enliven and enhance your worship services *The Atlantic Monthly* ,1922 *Words become Worlds* Ellen van Wolde,2021-08-30 By carefully analyzing the text semantic features of the texts of Genesis 1 11 this book offers a quite new perspective on the primaeval history The first part of the book examines Genesis 1 11 which is usually read as a creation story concerning the human being in relation to God in which the human being falls from bad to worse In these text semantic studies it is shown that such is not the case especially in the rather exciting analysis of the story of the Tower of Babel In the second part of the book the methodological framework of these text semantic studies is presented *The Writing of Informal Essays* Mary Ellen Chase,Margaret Eliot Macgregor,1928
