Naked at Lunch Mark Haskell Smith,2015-08-06 A triumphantly witty compellingly odd and oddly life affirming book about those who renounce clothing and embrace what lies beneath People have been getting naked in public for centuries Rising to prominence in the late 19th century naturism inspired intellectuals outcasts and health nuts from Victorian England colonial India Belle poque France and Gilded Age Manhattan to disrobe and write manifestos about the joys of going clothing free Coated in multiple layers of high SPF sunblock writer Mark Haskell Smith dives into the nudist world to find out how it all began and whether he is missing out Part cultural history and part full frontal participatory journalism Haskell Smith publicly drops trouser for the first time in Palm Springs hikes naked in the Swiss Alps and travels to the largest nudist resort in the world a hedonist s paradise in the south of France Along the way he traces how we have become so wary of our own bodies and he catalogues how people have been defying norms and sometimes even laws for the right to bare all *Naked Nostalgia* Sally Dali,2015-07-31 Dedicated naturist Sally Dali reflects on the universal and eternal appeal of the naked body as someone who enjoys being naked herself and as someone who appreciates the beauty of nakedness in others She looks at nudity past and present and shares some of her favourite images of the unclothed form in this very personal celebration of the joys of being naked Written in her usual laidback style Sally s latest book will appeal to both confirmed naturists and those who are curious and tempted to take their clothes off for the first time
