Qerach Randy C Dockens,2021-10-01 After arriving on another alien planet a human astronaut nicknamed Nuke attempts to bring two alien cultures together but find they distrust each other even more than they distrust him Nuke is now to unite the final two alien worlds Qerach and Aphiah of the Erabon system With him are his humanoid friends from the other alien planets he visited and united Arriving using the interstellar gates Nuke brought with him he finds those on these two planets look more like him yet he finds them unwilling to accept him or his mission even though supposedly it is the will of Erabon their deity they do Every step he takes leads to conflict and division He finds he first must unite those living on each planet before he can unite them across the other worlds Will he be able to help them come together and prepare for Erabon s return Or will all his efforts now be found futile and plunge them more towards their ultimate destruction than toward their ultimate salvation Qerach is the third and final book of the unique Christian science fiction series entitled Erabon Prophecy Trilogy by futuristic fiction author Randy C Dockens If you like the metaphorical imagery used by the great C S Lewis in several of his writings then you will enjoy this series which also uses a similar technique Also the romantic interests between Nuke and the female Myeemian flourish further offering a romantic read amid the attempts to unite these alien cultures as Nuke realizes his return to his solar system through the interstellar gates is remote Get your copy of Qerach and let your imagination soar in this exciting conclusion to this unique Christian science fiction series today Assassins Water Odie

No Nukes Anna Gyorgy,1979 *The Day the Grid Went Down* David J. Nicks,2013-02 The Day the Grid Went Down is a compelling novel about what could happen to the world should a truly catastrophic economic collapse occur The book is largely based on the true life experiences of author David J Nicks and other real world events such as the partial economic collapse of 2008 Using the 2012 elections as a point of departure The Day the Grid Went Down spins off into a cautionary tale of fiction that draws persuasive parallels between where we might currently be heading and prophecies from the Bible Fact and fiction interweave throughout the book as Nicks juxtaposes his own story with an imagined but very feasible scenario involving a total economic collapse and the worldwide chaos that would likely ensue as a result Author David J Nicks is a South Carolina native who works as an insulator specializing in nuclear plants and fire protection systems Although he has written other books in the past The Day the Grid Went Down is the first that he s had published It was inspired by

current events that in the author's opinion present the very real possibility of an impending economic collapse Publisher's website <http://sbpra.com> DavidJNicks **The Doomsday Drifter** Mark DaSilva, 2019-03-06 Apocalypse Loss Regret Evil Injustice Find out how one man an unlikely hero must battle through a dystopian nightmare to find his missing family in this deep dark and provocative thriller Included is a free sneak peek at book two Wrecking Man Included is a free sneak peek at book two The Wrecking Man Keywords Apocalypse Family Gas Combat Survival Devil Executive Terrorist Quest Hero
