Oh Mind Relax Please:

Oh, Mind Relax Please ! Swami Sukhabodhananda, 2005-07 On mind relaxation *Oh, Mind Relax Please ,* **Adi Shankaracharya's Bhaja Govindam** Swami Sukhabodhananda, 2015-01-27 Adi Shankaracharya composed a number of Vedantic works for imparting the knowledge of the Self One of these hymns is the famous Bhaja Govindam Bhaja literally means seek Govindam means the Lord the Truth The learned masters out of deep compassion try to wake up humanity They invite us to open our eyes to a higher dimension of living The whole text of Bhaja Govindam in essence means Wake up seek the Lord and stop seeking the primitive and superficial things in life The compilation of thoughts presented in this book is applicable to one and all Swami Sukhabodhananda in his unique style explains the verses with deep clarity and understanding **Oh, Mind Relax Please** Cukapōtānantā (Cuvāmi.), 2002 **Celebrating Success & Failure** Swami Sukhabodhananda, 2006-01-01 India Today What he teaches is essentially a mix of psychological yogic and meditation exercises tinged with the latest management jargon Business World He is the latest Guru on the corporate scene And his program on Stress and Creativity are being lapped up by executives from top notch companies The Times of India TOI does a poll on who talks the talk best Swamiji tops the list on all counts This is one man who has the ability to reach out to every member in the audience Swamiji is erudite often lyrically so His programs have been consciously designed to suit the widest spectrum of people to keep metaphysical and semantic speculations to the minimum *Shiva Sutras* Swami Sukhabodhananda, 2015-01-27 Ability is an important tool in life Ability without commitment and awareness is like a vehicle without the engine The Shiva Sutra enhances one's awareness in a way one sees an opportunity in a difficulty and not a difficulty in an opportunity There is an outside reality and an inside reality of one's mind There is also another dimension called spiritual reality To harmonize all of them is a great awakening Ordinary being loves one's own psycho dramas of justification proving one's point of view blaming being helpless and this leads one to a state of inner poverty To free oneself from these lower states of poverty and see them as errors in one's thinking is part of being effective and experiencing inner prosperity The profound teaching of Lord Shiva introduces us to A Bigger Container where one learns to be charitable to one's own self This practice of making A Bigger Container is essentially spiritual Dive deep into these mystic teachings Swami Sukhabodhananda Wordless Wisdom Swami Sukhabodhananda, 2006-01-01 India Today What he teaches is essentially a mix of psychological yogic and meditation exercises tinged with the latest management jargon Business World He is the latest Guru on the corporate scene And his program on Stress and Creativity are being lapped up by executives from top notch companies The Times of India TOI does a poll on who talks the talk best Swamiji tops the list on all counts This is one man who has the ability to reach out to every member in the audience Swamiji is erudite often lyrically so His programs have been consciously designed to suit the widest spectrum of people to keep metaphysical and semantic speculations to the minimum *Destined Encounters* Sury Pullat, 2014-09-19 Capt Suryanarayanan Pullat is a merchant mariner hailing from
