Oil The State And Federalism:

Oil, the State, and Federalism John Erik Fossum, 1997-01-01 John Erik Fossum explores the reasons for the federal government's intervention in the energy industry between 1973 and 1984 and shows how its initial objectives failed culminating in the privatization of Petro Canada in 1990

Oil, Democracy, and the Promise of True Federalism in Nigeria Augustine A. Ikein, Diepreye S. P. Alamieyeseigha, Steve S. Azaiki, 2008 The Niger Delta region is prone to conflicts and restiveness as a consequence of oil activities and under development which ultimately induce poverty Oil Democracy and the Promise of True Federalism in Nigeria attempts to demonstrate this unfortunate byproduct of federalism in Nigeria Calling for resource control and the practice of True Federalism the contributors of this volume identify some of the major endemic problems for the Niger Delta people It is in this light that the contributors have presented the contending views on the challenges and opportunities on Nigeria's path towards the practice of True Federalism Offering solution ideas for Niger Delta development and the promotion of a peaceful coexistence this comprehensive volume proposes hopeful yet powerful arguments for the Niger Delta region

State Power, Autarchy, and Political Conquest in Nigerian Federalism Kalu N. Kalu, 2009-07-15 This book offers a comprehensive analysis of the evolutionary path of Nigeria's political development Drawing from the historical themes that existed before and after independence Kalu N. Kalu elucidates the challenging role of an oil dependent economy in the struggle for control of state power in the face of political corruption clientelism and market failures

Oil Wealth and Federal Conflict in American Petrofederations Beni Trojbecz, 2021-11-24 Oil wealth and Federal Conflict in American Petrofederations documents the critical relationship between oil rents and federal conflicts by illustrating key concepts with six representative cross regional case studies Each case study discusses encompasses qualitative quantitative and comparative elements under a common structure With each petro federation ranging in conflict types and modalities the work as a whole identifies key differences including oil rent decentralization in terms of resource property sector management and distribution of revenues sectoral importance considered at national and subnational levels and federation redistribution policy in terms of fiscal federal imbalance fiscal equalization and oil rent use for regional equity Collectively the book generalizes a consistent theory of causality between oil rents and federal conflicts that take into account systemic variables The book's conclusions will serve as a guide for researchers and policymakers seeking pathways to translate oil rents into development and stability Reviews the intimate relationship between the oil sector and its governance in the political system Provides comparative analysis of the regulation political institutions rent decentralization sectoral importance and rent redistributive policies in the oil sector Generalizes approaches to the causality between oil rents and federal conflicts including implications for policymakers

Oil and Fiscal Federalism in Nigeria Augustine A. Ikein, Comfort Briggs-Anigbo, 1998 Taking Nigeria as a case study this book examines how the various issues involved in fiscal federalism in a developing country are handled

African State Governance A. Carl LeVan, Joseph Olayinka

Fashagba,Edward R. McMahon,2016-02-05 Africa is changing and it is easy to overlook how decentralization democratization and new forms of illiberalism have transformed federalism political parties and local politics Chapters on Kenya Nigeria Ethiopia and South Africa help fill an important gap in comparative institutional research about state and local politics in Africa **Santa Barbara Oil Pollution** United States. Congress. Senate. Committee on Interior and Insular Affairs.

Subcommittee on Minerals, Materials, and Fuels,1970 **Politics of Oil** Bulent Gokay,2019-03-04 This new title presents key information on the oil industry world wide and will be of interest to anyone involved in or studying the politics of oil production processing and selling Oil has long been at the forefront of political agendas and with increased tensions in the Middle East there has never been a greater need for up to date reliable information on this key industry Includes essays covering the main themes an A Z glossary listing important terms detailed maps a statistics section *Oil in the Gulf* Daniel Heradstveit,2017-07-05 The US led war against Iraq in 2003 represented the most dramatic shake up of regional politics in the Gulf for more than a decade This book contains an up to date analysis of central questions affecting the construction of a post Ba th regime in Iraq and charts possible ways forward in other key states of the region such as Saudi Arabia and Iran At the heart of the analysis lies the tension between the US sponsored vision of a democratic free market Gulf region and local resistance to this model This resistance appearing in the shape of alternative visions of democracy and the state could potentially present a challenge to US policy through the spread of repressive policies or terrorism especially if Washington chooses to sideline the social forces behind it Conversely if this resistance were taken seriously by the US it could form a point of departure for more fruitful interaction between traditions of government from the West and local politics Future developments on this important issue will be of immense significance for the management of some of the world s largest oil and gas reserves with immediate implications for both regional political stability as well as for the world economy

Federalism and Decentralization in Africa Leonid Issaev,Andrey Zakharov,2024-11-09 This book examines the challenges and opportunities of administrative and territorial reconstruction in Africa from independence until the present time In light of the rise of separatist movements in various African states and the ethnic linguistic and religious heterogeneity of many African societies the book sheds new light on the fragmentation and decentralization of the African continent The authors analyze the mechanisms forms and models of decentralization practiced today in Africa taking into account both federalist and unitary experiences of decentralization and discuss the potential of federalism to resolve conflicts within the continent The generalizations made in the course of such an analysis can significantly enrich the current vision of the development of the African continent and its future prospects The book will appeal to scholars and students of political science and African studies **Department of Housing and Urban Development--independent Agencies**

Appropriations for 1983 United States. Congress. House. Committee on Appropriations. Subcommittee on

HUD-Independent Agencies,1982 **Oil and Insurgency in the Niger Delta** Cyril Obi,Siri Aas Rustad,2011-02-10 The

recent escalation in the violent conflict in the Niger Delta has brought the region to the forefront of international energy and security concerns This book analyses the causes dynamics and politics underpinning oil related violence in the Niger Delta region of Nigeria It focuses on the drivers of the conflict as well as the ways the crises spawned by the political economy of oil and contradictions within Nigeria s ethnic politics have contributed to the morphing of initially poorly coordinated largely non violent protests into a pan Delta insurgency Approaching the issue from a number of perspectives the book offers the most up to date and comprehensive analysis available of the varied dimensions of the conflict Combining empirically based and analytic chapters it attempts to explain the causes of the escalation in violence the various actors levels and dynamics involved and the policy challenges faced with regard to conflict management resolution and the options for peace It also examines the role of oil as a commodity of global strategic significance addressing the relationship between oil energy security and development in the Niger Delta

Anatomy of the Niger Delta Crisis Victor Ojakorotu,2010 *Anatomy of the Niger Delta crisis causes consequences and opportunities for peace* is a firm key work providing deep insights into the complex and varied interests that are at play in the Niger Delta of Africa s most populous nation Nigeria The nine treatises in this book unequivocally identify the primary motivations and major players in the imbroglio that is responsible for the quagmire which the international oil market is faced with today The bold academic discourses to a large extent blame British imperialism global capitalism and Nigeria s political elites for the situation in the Niger Delta which has a far reaching global effect Each of the essays nonetheless paints a picture of hope for the distraught communities in the Niger Delta in spite of the dark themes that are the preoccupations of the scholars That is if the Nigerian government would approach the Niger Delta crisis with the absolute sincerity that it deserves

Federalism and the Courts in Africa Yonatan T. Fessha,Karl Kössler,2020-03-18 This volume examines the design and impact of courts in African federal systems from a comparative perspective Recent developments indicate that the previously stymied idea of federalism is now being revived in the constitutional arrangements of several African countries A number of them jumped on the bandwagon of federalism in the early 1990s because it came to be seen as a means to facilitate development to counter the concentration of power in a single governmental actor and to manage communal tensions An important part of the move towards federalism is the establishment of courts that are empowered to umpire intergovernmental disputes This edited volume brings together contributions that first discuss questions of design by focusing in particular on the organization of the judiciary and the appointment of judges in African federal systems They then examine whether courts have had a rather centralizing or decentralizing impact on the operation of African federal systems The book will be of interest to researchers and policy makers in the areas of comparative constitutional law and comparative politics

Natural Resources and Conflict Dynamics in Federal Countries Eyene Okpanachi,2025-07-02 This book examines the dynamics of oil and gas conflicts within the context of federalism in Canada an older federation with broadly a decentralized institutional design governing oil and gas

and Nigeria a newer federation with a largely centralized design It traces resource ownership control or regulation and revenue sharing conflict processes over time and provides a focused comparison of conflict over the role of oil in intergovernmental fiscal transfers in both countries In so doing the book provides a much needed corrective to conventional static notions of oil conflict as either violent or nonviolent outcomes by carefully analyzing the evolution and ebbs and flows of conflicts hidden within conflict patterns that appear to be self reinforcing and entrenched The book demonstrates that de centralization dynamics especially the continuities and shifts in federal institutional structural and ideational rules about oil itself are central to the concept of conflict dynamics It highlights the endogenous processes of federal institutional development and lends credence to the historical institutionalists emphasis on the entanglement of institutions in their own transformation Yet the book also reveals that conflict dynamics did not emerge solely from the initial compromise between federal and provincial state actors regarding the allocation of competence over oil The renegotiation and reinterpretation of these rules over time which entails a redistribution of power resources in response to historical temporalities and shocks political agency and changing socioeconomic realities also generated unique patterns of conflict and conflict resolution within the federal institutional arenas Canada: The State of the Federation, 2012 Loleen Berdahl, André Juneau, Carolyn Hughes Tuohy, 2015-07-03

Regional resource disparities and the tensions they generate are a perennial Canadian topic This edition of Canada The State of the Federation presents essays on regions resources and the resiliency of the Canadian federal system Contributors consider questions such as to what extent do Canada s natural resource industries benefit the Canadian economy Do Canada s federal institutions hinder or promote the ability of the economy to respond to global economic shifts Do current intergovernmental structures allow for constructive dialogue about national policy issues In responding to these and related questions many of the authors touch on energy issues Others consider the importance of functional institutions in a federal or multilevel context as an essential requirement for the effective resolution of issues Together the volume raises questions about the relationship of state and society the importance of identity trust and moral legitimacy for the operation of our federal institutions and the extent to which federal institutions are reinforced or placed under stress by societal structures The theme of this volume was triggered by Richard Simeon the outstanding scholar of federalism who passed away in October 2013 and it is dedicated in his honour **Democracy and the Paradox of**

Developmental State in Nigeria's Fourth Republic Janet Monisola Oluwaleye, Olatunji Ebenezer Olugbenga, Olamide Temitayo Ojogbede, 2025-04-29 In Democracy and the Paradox of Developmental State in Nigeria s Fourth Republic selected scholars delve into the intricate dynamics between democratic governance and the aspirations of a developmental state in Nigeria s contemporary political landscape This thought provoking work critically examines the tension between the principles of democracy and the need for effective state intervention in economic development exploring how the Fourth Republic has navigated this complex interplay Through a comprehensive analysis the book unveils the contradictions

inherent in Nigeria's political and economic structure revealing how democratic ideals often clash with the realities of governance policy implementation and economic progress. With empirical evidence and insightful theory, the book highlights the challenges and opportunities faced by Nigeria as it seeks to balance the imperatives of democratic accountability with the goals of state-led development. This book will be of great benefit to policy makers globally and constitutes an important contribution to the literature on developmental issues. *Competitive Aspects of Oil Shale Development* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly, 1967. Discusses possibility of large oil company monopolization of oil shale development in the Rocky Mountains. Federal Register, 2013-03 **Big Oil in the United States** Jerry A. McBeath, 2016-06-27. This book explains how and why large oil producing corporations have affected government institutions' energy policy and politics in the United States and suggests how their influence can be reduced. Big oil is the leading factor in U.S. energy politics today; the largest oil producing companies also constitute a formidable force and interest group in American politics. This book examines why oil is so important and how the prominence of huge corporations often working in the absence of countervailing forces has affected government institutions' policy with a focus on energy policy and politics in the United States. Analyzing big oil's influence on political outcomes particularly through campaign contributions and lobbying, this book shows how strong corporate power affects political participation. The book documents how the influence of big oil flows in all directions, intricately connecting U.S. policies at all levels: foreign policy, federal, state, and even local, regarding oil exploration, development, production, and transportation. Readers will come away with a clear understanding of how these multi-tiered relationships between oil corporations and governments work to the advantage of corporations and to the disadvantage of states and the citizens they represent.

Oil The State And Federalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Oil The State And Federalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Oil The State And Federalism has opened up a world of possibilities. Downloading Oil The State And Federalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Oil The State And Federalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Oil The State And Federalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Oil The State And Federalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Oil The State And Federalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Oil The State And Federalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Oil The State And Federalism Books

What is a Oil The State And Federalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Oil The State And Federalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Oil The State And Federalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Oil The State And Federalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Oil The State And Federalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
