New Jersey Cemeteries and Tombstones Richard F. Veit, Mark Nonestied, 2008-09-17 From the earliest memorials used by Native Americans to the elaborate structures of the present day Richard Veit and Mark Nonestied use grave markers to take an off beat look at New Jersey's history that is both fascinating and unique *New Jersey Cemeteries and Tombstones* presents a culturally diverse account of New Jersey's historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived The evidence ranges from somber seventeenth century decorations such as hourglasses and skulls that denoted the brevity of colonial life to modern times where memorials such as a life size granite Mercedes Benz reflect the materialism of the new millennium Also considered are contemporary novelties such as pet cemeteries and what they reveal about today's culture To tell their story the authors visited more than 1 000 burial grounds and interviewed numerous monument dealers and cemetarians This richly illustrated book is essential reading for history buffs and indeed anyone who has ever wandered inquisitively through their local cemeteries

Ghosts of Northwestern New Jersey Robert Oakes, 2022-09-26 Among the rolling hills picturesque farms and lush highlands of Northwestern New Jersey lurk haunting mysteries and unexplained apparitions A historic recluse who practiced witchcraft generations ago is said to be still spinning misdeeds as the Sussex Sorcerer on Sunrise Mountain The ghost of Reverend O Malley walks the woods around Mount Allamuchy as the Purple Bishop seeking vengeance against those who betrayed him The sinisterly named Shades of Death Road along the sod farms and meadows of the Pequett River Valley has a bloody reputation of bandit killings Lenape

massacres and supernatural encounters Author Robert Oakes leads readers on a spirited journey through the historic ghost lore of Northwestern New Jersey *Encyclopedia of New Jersey* Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey **The Old Jewish Cemeteries of Newark** Alice Perkins Gould, 2005 **Owning New Jersey** Joseph A. Grabas, 2014-09-23 Winner of the New Jersey Studies Academic Alliance Authors Award for Nonfiction New Jersey's land records and deeds are unlikely sources for a thrilling tale but reveal little known fascinating history A detailed story of the founding of the Garden State 350 years ago is preserved in these papers The state's boundaries were drawn in such documents centuries ago even if the authors never stepped foot in North America The archives hide heroes like the freed African Americans who fought for their right to own their piece of the state And of course there are the bizarre and mysterious tales like the silk baron's castle and the assault against a sixteen year old maiden during the throes of the American Revolution Join land title expert Joseph Grabas as he combs through these all but forgotten stories of the pursuit of happiness and property in early New Jersey

Reconsidering Trenton Steven M. Richman, 2014-01-10 Trenton like the state of New Jersey is often maligned these days but there was a time when Trenton was the fiftieth largest city in the United States and boasted worldwide leaders in the iron and steel rubber and pottery industries Like many cities of its comparative size and prowess that came of age in the Industrial Revolution Trenton diminished in the aftermath of World War II and has become for many one of the lost cities a place of lessened population abandoned houses and shuttered factories Featuring a series of meditative explorations on the essence of the American post industrial city through the prism of Trenton this book explores the city's history architecture parks factories and neighborhoods through text and image highlighting the importance of such post industrial cities *Past Meets Present* John H. Jameson, Sherene Baugher, 2007-04-17 In the face of an increasing public interest and demand for information archaeologists are starting to collaborate with historians educators interpreters museum curators exhibit designers landscape architects and other cultural resource specialists to devise the best strategies for translating an explosion of archaeological information for the public In turn some communities are partnering with archaeologists to become active players in the excavation interpretation and preservation of their heritage The last decade has witnessed numerous applications of public interpretation and outreach models and an increased interest in establishing partnerships between professional practitioners in public interpretation and educational institutions such as museums and schools These developments have occurred in the context of a realization that community based partnerships are the most effective mechanism for long term success It is clear that there is a need for a volume that addresses these latest trends and provides case studies of successful partnerships **Conquest of a Continent** Theodore M. Banta, 2000 Have you ever wondered as you drove across this great country of ours who were those guys who wrested this continent from primeval forests the raging and untamed rivers the desolate and seeming unconquerable deserts In short a threatening inhospitable and uncivilized land

unexplored with untold terrors awaiting those foolish enough to take that next step into that vast wilderness Who were those courageous fearless frontiersmen who never hesitated to take that next step This historical novel seamlessly follows a family the Bantas through twelve generations nine of which lived their lives as frontiersmen on the edge of civilization on the North American continent It is based on historic facts and human figures which the author through deductive analysis brought to life Names places and dates in this narrative are as historically accurate as the author s knowledge and sources permit Most quotations other than those that are indented are imaginary From the progenitor of the Banta family name Epke Jacobs who arrived in Vlissingen New Amsterdam New Netherland in 1659 through Theodore Parker Banta T P of the eighth generation on this continent there was a constant movement by each following generation to the frontier s edge They were always pushing the edge of the envelope in its odyssey of two hundred and forty one years across a new continent from Flushing on the Atlantic coast to the Imperial Valley fifty miles from the Pacific Ocean Part I of this book follows the first seven generations It begins telling Epke Jacobse s story of his and his family s migration in 1659 from Minertsga on the dike protected lowlands of the Rhine River s delta in Friesland the northern province of Holland and continues with his arrival into the Dutch colony of New Netherland to operate an inn on Long Island It concludes with seventh generation Frederick Banta s migration to Hanging Grove Township near Rensselaer Indiana where he bought land from the United States government and carved a farm from hillocks in its swampy land During these seven generations each following generation reached out and settled the continent s newest frontier T P of the eighth generation along with his wife and sons were the last of these generations of frontiersmen His story part II of this book is the story of the conquering of the last frontier in the contiguous United States of America His frontier was the delta of the Colorado River named the Colorado Desert the most God forsaken and dead world imaginable He and his wife Carrie along with their three sons were the fourth family to settle in the desert under its new name the Imperial Valley Who in their wildest dreams could foresee that this desolation could be made to bloom through irrigation water from the Colorado River in an abundance of luxurious green which caused it to become the vegetable garden of the nation Starting one hundred and seventeen years before the American Revolution this book tells a continuous story in human terms of the building of our great nation the United States of America This historical novel takes you from the delta of the Europe s great Rhine River where dikes held back the North Sea from flooding the lands to the delta of North America s great Colorado River consisting of nothing but a sandy desert crossing the Gulf of California It does this by following one line of one family that never left the frontier for over 242 years
