Old Testament Selections from The Bible:

The Old Testament, Catalogue of Printed Books British Museum, 1892 Catalogue of the Library of the British and Foreign Bible Society George Bullen, 2025-08-20 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The United States Catalog Ida M. Lynn, 1928 A Handbook of Classification and Cataloguing Margaret S. Taylor, 2021-12-14 This book first published in 1939 deals with the elements of classification and cataloguing from the school library point of view The Dewey Cheltenham and Bliss schemes are fully examined and there is a chapter on the practical application of classification in the library There are simplified rules for Author and Title catalogues while the different kinds of subject catalogues are compared and instructions given for their compilation Many practical examples of cataloguing entries are shown **British Museum** British Museum (London), 1883

Readings from the Old Testament Louise Emery Tucker, 1913 **The Cumulative Book Index**, 1907 A world list of books in the English language The Oxford Handbook of the Bible in America Paul Gutjahr, 2017-11-01 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation The Bible Old Testament Joanne Cracknell, 1994 Presented in a gift edition and in the language of the Authorized Version this book includes stories and poems from the Old Testament from the account in Genesis of the creation of the world and the stories of the wandering of the Jewish people and God's role in their history through the Psalms to the books of the prophets The text is illustrated throughout with medieval illuminations and old masters The volume is bound in heavy boards with real bookcloth with a coloured label and ribbon bookmark
