What I Saw on the Old Santa Fe Trail James A. Little, 2015-07-13 Excerpt from *What I Saw on the Old Santa Fe Trail* A Condensed Story of Frontier Life Half a Century Ago What I have written in this series of articles is the plain truth I doubt if a man could be found living today who crossed the plains on the old Santa Fe road in as early a day as I Some of the facts recorded here have never been recorded in any history of Kansas or any account of the old road There can never again be a repetition of the scenes There will never again be great caravans of prairie schooners slowly wending their way across the

great American desert The old Santa Fe road is almost obliterated Cities and towns have sprung up Dwellings school houses and churches decorate the prairie Horace Greely crossed the plains six years later than I In his comments he said There were more buffalo in sight than there are cattle in Illinois So I offer no other reason for this personal history of pioneer days About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
