Pathways to Joy in Marriage Paul W. Syltje, 2012-06-05 We live in an age of broken marriages broken homes and broken lives brought on by an adversary whose wavelength permeates this society and teaches us that a person is free to do whatever he wishes Do what feels good and fear not the consequences My wife and I have proven that a married couple and their children do not need to follow this course In fact it is much much easier not to because the fruits are infinitely better if you do not and we all like good fruit God ordained it that way because He invented marriage and family For 45 years my wife and I have witnessed the fruits of striving after God's perfect plan for married couples as outlined in His word True Sandy and I were brought up as hard working farm kids totally dedicate to each other that helped to get a good start but in today's world as in any age the pulls of the flesh and of this fallen age can easily derail a family if they take their eyes off the goal That goal is to love God and to love your neighbor as yourself starting within your own home We have proven that in spite of society and families disintegrating all around us you can have a wonderfully fulfilling marriage and as a major part of that rear a loving and joyous family Look through the pages of the photo albums especially and see snatches of the good times we had and still do have while growing up together Parents grow up too and their kids teach them a lot Do not follow the road most traveled Read this book live God's way and be amazed that happiness will indeed pursue you
