and respect but Chalfant became their revered confidant and with Tony Silver went on to produce the classic documentary film *Style Wars* 1983 Through a series of interviews conducted by Sacha Jenkins we hear the voices of these characters of old New York Quite a few of the original writers are no longer with us but those who have survived have continued to push the envelope as artists and individuals in a new millennium The stories they tell included here alongside iconic raw photographs of their work will enthrall graffiti fans everywhere
