Riding Fear Rayna Arora,2020-12-15 A Syrian Refugee Story This was the last glimpse of her beloved country she was probably never going to see it again A girl of courage and kindness Yara Al Numan was only a child with big dreams when the war crushed them A country she loved was torn apart by the bombing The deaths of her dear ones was an important part of her continuous journey changing her to be a warrior in a never ending battle She had a pounding desire to help her country people even if poverty was her only bait In a life of loss and a struggle for success will her patriotism help those in need Or will she end up in the same murky mix as them Read *Riding Fear* to find out **Riding for Fear** S. King,2020-02-29 I thought I had faced my biggest fear sixteen years ago when I returned the favor of killing Torryn for murdering my father and killing my friends I had no idea what fear looked like until now Sixteen peaceful years have passed since Nesrin Soter had unmasked the killer of her father and friends Now after two kids moving back to the states and living life away from the MC world Nesrin is facing her biggest fear yet When her daughter Delphine goes missing in broad day light Nesrin has to return to her roots as a brutal assassin for the MC Sleeping Devils With her 1911 PT Taurus in hand and her husband Zayne Vania by her side Nesrin will have to race against the clock to save her daughter s life while maintaining her new and improved life Will Nesrin be able to finally ride away from the dangerous life she had only just begun to put behind her or will she take her final ride to the grave Find out in *Riding for Fear* Do It Scared Ruth Soukup,2019-05-21 Equal parts encouragement and tough love Do It Scared combines easy to implement tips with the motivation to help you stare down your fears and start making real changes that lead to big results What would you do if fear no longer stood in your way What would happen if you were no longer afraid to dive in headfirst and go after your dreams instead of sitting on the sidelines of your own life We tell ourselves we re too busy to pursue our dreams but what if the real reason we re putting off our goals is fear It s the fear that we re not good smart talented or capable enough It s the fear that others might laugh at us or that we ll get hurt or be rejected It s the fear that pursuing our true potential will simply be too hard And most of all it s the fear that we ll fail But having courage doesn t mean we re never afraid True courage means taking action despite fear True courage means doing it scared The question is how How do we face those fears and take that first step in the right direction How do
