Riding The Demon On The Road In West Africa:

Riding the Demon Peter Chilson, 2015-03-15 In Niger where access to rail and air travel requires overcoming many obstacles roads are the nation's lifeline For a year in the early 1990s Peter Chilson traveled this desert country by automobile to experience West African road culture He crisscrossed the same roads again and again with bush taxi driver Issoufou Garba in order to learn one driver's story inside and out He hitchhiked riding in cotton trucks and traveled with other bush taxi drivers truckers road engineers an anthropologist Niger's only licensed woman commercial driver and a customs officer The road in Africa says Chilson is more than a direction or a path to take Once you've booked passage and taken your seat the road becomes the center of your life Hurtling along at eighty miles an hour in a bush taxi equipped with bald tires no windows and sometimes no doors travelers realize that they've surrendered everything Chilson uses the road not to reinforce Africa's worn image of decay and corruption but to reveal how people endure political and economic chaos poverty and disease The road has reflected the struggle for survival in Niger since the first automobile arrived there and it remains a useful metaphor for the fight for stability and prosperity across Africa

Riding the Demon Peter Chilson, 1999 On African roads car wrecks are as common as mile markers and the wreckage can stand in monument for months or years a minibus upended against a tree as if attempting escape a charred truck overturned in a ditch Chilson uses the road not to reinforce the worn image of Africa's decay but to reveal how people endure political and economic chaos poverty and disease

Pacific Automobilism Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West's media-driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural

influence in favor of the car's status character Near Death in the Desert Cecil Kuhne, 2011-06-08 A travel anthology that gathers the best adventure stories from the world's most barren landscapes Ranging from 19th century explorers to modern day journalists these desert trekkers deal with everything from deserting men corrupt armed soldiers and Nigerian bush taxis to suspicious natives stubborn camels and debilitating sunburn These thirteen tales are more than suspenseful they also show how life can survive in the most punishing climates The night was heavy with foreboding The rain which had been spitting down on us during the late afternoon grew heavier It hurled into our faces borne by a wind that was now gusting between the dunes at full force It was the worst storm we had encountered and Ned was out in it alone Justin Marozzi South from Barbary Also featuring Robyn Davidson's Desert Places Robyn Davidson follows the Rubari people across the Thar as she tries to adapt to a difficult but fascinating way of life Michael Asher's Two Against the Sahara Newlyweds embark upon a nine month 4500 mile journey across the world's largest desert traveling from Morocco to Sudan Bayle St John's Adventure in the Libyan Desert In 1847 a team of four trek deep into Libya in search of an oasis But what they find is even more astounding **African Border Disorders** Olivier J. Walther, William F.S. Miles, 2017-09-01 Since the end of the Cold War the monopoly of legitimate organized force of many African states has been eroded by a mix of rebel groups violent extremist organizations and self defence militias created in response to the rise in organized violence on the continent African Border Disorders explores the complex relationships that bind states transnational rebels and extremist organizations and borders on the African continent Combining cutting edge network science with geographical analysis the first part of the book highlights how the fluid alliances and conflicts between rebels violent extremist organizations and states shape in large measure regional patterns of violence in Africa The second part of the book examines the spread of Islamist violence around Lake Chad through the lens of the violent Nigerian Islamist group Boko Haram which has evolved from a nationally oriented militia group to an internationally networked organization The third part of the book explores how violent extremist organizations conceptualize state boundaries and territory and reciprocally how do the civil society and the state respond to the rise of transnational organizations The book will be essential reading for all students and specialists of African politics and security studies particularly those specializing on fragile states sovereignty new wars and borders as well as governments and international organizations involved in conflict prevention and early intervention in the region The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Going Places* Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader's Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve

Mulcahy, 2017-10-13 Tell me all about your trip It s a request that follows travelers as they head out into the world and one of the first things they hear when they return When we leave our homes to explore the wider world we feel compelled to capture the experiences and bring the story home But for those who don t think of themselves as writers putting experiences into words can be more stressful than inspirational Writing Abroad is meant for travelers of all backgrounds and writing levels a student embarking on overseas study a retiree realizing a dream of seeing China a Peace Corps worker in Kenya All can benefit from documenting their adventures whether on paper or online Through practical advice and adaptable exercises this guide will help travelers hone their observational skills conduct research and interviews choose an appropriate literary form and incorporate photos and videos into their writing Writing about travel is more than just safeguarding memories it

can transform experiences and tease out new realizations With Writing Abroad travelers will be able to deepen their understanding of other cultures and write about that new awareness in clear and vivid prose Postcolonial Automobility Lindsey B. Green-Simms, 2017-10-24 For more than a century cars have symbolized autonomous unfettered mobility and an increasingly global experience And yet they are often used differently outside the centers of global capitalism This pioneering book considers how through the lens of the automobile we can assess the pleasures dangers and limits of global modernity in West Africa Through new and provocative readings of famous plays novels and films as well as recent popular videos Postcolonial Automobility reveals the surprising ways in which automobility in the region is at once an everyday practice an ethos a fantasy of autonomy and an affective activity intimately tied to modern social life Lindsey B Green Simms begins with the history of motorization in West Africa from the colonial era to the decolonizing decades after World War II and addresses the tragedy of car accidents through a close reading of Wole Soyinka s 1965 postindependence play The Road Shifting to screen media she discusses Ousmane Sembene s Xala and Jean Pierre Bekolo s Quartier Mozart and reviews popular low budget Nollywood films Finally Green Simms considers how feminist texts rewrite and work in dialogue with the male centered films and novels where the car stands in for patriarchal power and capitalist achievement Providing a unique perspective on technology in Africa one refusing to be confined to narratives of either underdevelopment or inevitable progress and covering a broad range of interdisciplinary material Postcolonial Automobility will appeal not only to scholars and students of African literature and cinema but also to those in postcolonial and globalization studies *African, American* David Peterson del Mar, 2017-06-15 Africa has long gripped the American imagination From the Edenic wilderness of Edgar Rice Burroughs s Tarzan novels to the black Zion of Garvey s Back to Africa movement all manner of Americans whether white or black male or female have come to see Africa as an idealized stage on which they can fashion new more authentic selves In this remarkable panoramic work David Peterson del Mar explores the ways in which American fantasies of Africa have evolved over time as well as the role of Africans themselves in subverting American attitudes to their continent Spanning seven decades from the post war period to the present day and encompassing sources ranging from literature film and music to accounts by missionaries aid workers and travel writers African American is a fascinating deconstruction of Africa as it exists in the American mindset **The Fine Art of Literary Fist-Fighting** Lee Gutkind, 2024-01-01 An account of the emergence of creative nonfiction written by the godfather of the genre When Gutkind stops to look back on his own evolving perspective and reflects upon his writing career the choices he made he puts himself and us right back in the moment and the results are vivid ambiguous emotionally resonant fascinating Lucas Mann Washington Post In the 1970s Lee Gutkind a leather clad hippie motorcyclist and former public relations writer fought his way into the academy Then he took on his colleagues His goal to make creative nonfiction an accepted academic discipline one as vital as poetry drama and fiction In this book Gutkind tells the true story of how creative nonfiction became a leading genre for both readers and

writers Creative nonfiction true stories enriched by relevant ideas insights and intimacies offered liberation to writers allowing them to push their work in freewheeling directions The genre also opened doors to outsiders doctors lawyers construction workers who felt they had stories to tell about their lives and experiences Gutkind documents the evolution of the genre discussing the lives and work of such practitioners as Joan Didion Tom Wolfe Norman Mailer James Baldwin Zora Neale Hurston Rachel Carson Upton Sinclair Janet Malcolm and Vivian Gornick Gutkind also highlights the ethics of writing creative nonfiction including how writers handle the distinctions between fact and fiction Gutkind's book narrates the story not just of a genre but of the person who brought it to the forefront of the literary and journalistic world Religion and the State Scott A. Merriman, 2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots Religion and the State An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion Readers can investigate specific nations compare situations across nations and explore key issues in the pervasive often controversial relationship between religion and government

Joseph Conrad's Cultural Legacy Linda Dryden, Robert Hampson, 2024-09-19 In 2024 the literary community commemorates the 100th anniversary of the death of Joseph Conrad This volume of collected essays takes the opportunity to reflect on Conrad's enduring influence on literature and culture in the 21st century Offering reflections on Conrad's legacy by leading critics and scholars in the field of Conrad studies as well as by significant figures in the arts and cultural sector it represents a unique contribution to Conrad studies and provides an overview of how the author continues to inspire and shape contemporary literature and culture in the 21st century Covering a broad range of topics from discussions of how Conrad has inspired contemporary films and operas through to the pertinence of his works to current conflicts and key contemporary issues Joseph Conrad's Cultural Legacy offers unique original insights into the enduring relevance of one of the leading literary figures of the 20th century
