The Rough Poets Melanie Dennis Unrau, 2024-10-15 Oil workers are often typecast as rough embodying the toxic masculinity racism consumerist excess and wilful ignorance of the extractive industries and petrostates they work for But their poetry troubles these assumptions revealing the fear confusion betrayal and indignation hidden beneath tough personas The Rough Poets presents poetry by workers in the Canadian oil and gas industry collecting and closely reading texts published between 1938 and 2019 S C Ellis's Northland Trails Peter Christensen's Rig Talk Dymphny Dronyk's Contrary Infatuations Mathew Henderson's The Lease Naden Parkin's A Relationship with Truth Lesley Battler's Endangered Hydrocarbons and Lindsay Bird's Boom Time These writers are uniquely positioned Melanie Dennis Unrau argues both as petropoets who write poetry about oil and as theorists of petropoetics with unique knowledge about how to make and unmake worlds that depend on fossil fuels Their ambivalent playful crude and honest petropoetry shows that oil workers grieve the environmental and social impacts of their work worry about climate change and the futures of their communities and desire jobs and ways of life that are good safe and just How does it feel to be a worker in the oil and gas industry in a climate emergency facing an energy transition that threatens your way of life Unrau takes up this question with the respect care and imagination necessary to be an environmentalist reader in solidarity with oil workers *Snow Bird* Jason Thunder, 2024-08-06 Jason Thunder still remembers that red lollipop baby's first sugar high That day the candy was shared amongst the cousins and he slept close to his parents He must have been teething his father's knuckle tasted like guitar strings salt and nicotine Jason has been chasing the sensations of that single day all his life the rush the comfort the love It ignited his relationship to addiction Poor in a wealthy country Jason is sentenced to a lifetime of labour In his teens he buckles under his mother's impossible expectations as he provides for his siblings If it wasn't for his grandfather's Sage or that winter skating on the lake he might have lost himself Though his babies are born into broken homes Jason wants to love and provide for them On the oil rigs as a high rise scaffolder training to be Harley Davidson technician and driving long haul ice road trucks into the Arctic Jason wants more than anything to be a proud man But in a boom and bust world Jason Thunder is racing to catch his steadfast dreams This richly poetic novel follows a M tis man's autobiographical coming of age and captures the precarious balance between hope and despair trauma and beauty *Outlaw* Katana Collins, 2017-05-02 All three volumes in one HOT set Worse than bad Hotter than hot These are the bad boys of the Harrison Street Crew and they answer to no one They take what they want And what they want is you Volume One Patrick Flanagan lives outside the law The cops don't like him The law doesn't trust him He may come at you with a charm and a handsome smile but make no mistake he's as reckless and bad as they come But when a total bombshell with stilettos and a power suit comes blazing into his life this bad boy is about to be so so good Volume Two Ambitious lawyer Michelle Chiccarini vowed like hell she is going to do her best to prosecute as many criminals as she could Even if that means trying to put away Patrick Flanagan a man who

The Bloodsworn Erin Lindsey,2016-09-27 The bonds of family love and loyalty are pushed to their limits in this thrilling conclusion to the epic saga started in The Bloodbound As the war between Alden and Oridia draws to an end the fates of both kingdoms rest on the actions of a select group of individuals and of course on the unbreakable bonds of blood Unbeknownst to most of Alden King Erik in thrall to a cruel bloodbinder is locked away in his own palace plotting revenge To save her king Lady Alix must journey behind enemy lines to destroy the bloodbinder But her quest will demand sacrifices that may be more than she can bear Meanwhile as the Warlord of Oridia tightens his grip on Alden the men Alix loves face equally deadly tasks Her husband Liam must run a country at war while her brother Rig fights a losing battle on the front lines If either of them fails Alden could be lost and even if they succeed their efforts may be too late to save everyone Alix holds dear From the Paperback edition **The Broken Journey** Kenneth Roy,2016-10-12 This is the second volume of Kenneth Roy s magisterial

trilogy on the history of Scotland since the Second World War The first volume *The Invisible Spirit A Life of Post War Scotland 1945-75* was met with immediate acclaim This new volume brings the story much closer to the present day and traces enthrallingly the social political and cultural threads which lead directly to the Scotland we live in today Along the way the author describes the oil boom in Shetland Scotland's doomed campaign at the World Cup in Argentina the Orkney child sex abuse scandal the Lockerbie bombing the massacre of schoolchildren and a teacher at Dunblane the cloning of Dolly the sheep and much more Kenneth Roy uses his record of events to mount a searing critique of the Scottish body politic of the time and its key personalities and institutions In sparkling often very funny prose the country is anatomized in a way which will make uncomfortable reading for many current politicians and public office holders today The book culminates in a referendum and the inauguration of the new Scottish parliament Echoes of present day aspirations antagonisms and concerns are all too evident Literary History of Canada William H. New, Carl Berger, Alan Cairns, Frances G.
