The Right Hon. R.J. Seddon's (the Premier of New Zealand) Visit to Tonga, Fiji, Savage Island, and the Cook Islands Edward Tregear, New Zealand, 1900 The Right Hon. R. J. Seddon's (the Premier of New Zealand) Visit to Tonga, Fiji, Savage Island and the Cook Islands Richard John Seddon, 1900

The Life and Work of Richard John Seddon (Premier of New Zealand, 1893-1906) James Drummond, 2013-08-22 A 1907 biography of Richard Seddon 1845 1906 New Zealand's longest serving prime minister 1893 1906 illuminating the Liberal Party's history Richard Seddon: King of God's Own Tom Brooking, 2014-08-27 2014 Must Read Otago Daily Times The life the health the intelligence and the morals of the nation count for more than riches and I would rather have this country free from want and squalor and unemployed than the home of multi millionaires Richard Seddon 1905 Casting a long shadow over New Zealand history Richard John Seddon Premier from 1893 to his untimely death in 1906 held a clear vision for the country he led Pushing New Zealand in more egalitarian directions than ever before he was both the builder and the maintenance man if not the architect of our country Challenging popular opinion of New Zealand's longest serving Prime Minister as a ruthless pragmatist cunning misogynist and Imperialistic jingoist this landmark biography of Seddon presents an altogether more sympathetic erudite appraisal Reconciling two generations of New Zealand scholarship Richard Seddon King of God's Own demonstrates that while holding fast to common ideals Seddon was successful by mastering the art of the possible He knew instinctively what his electorate would tolerate and remained in step with public opinion Despite contradictions in his attitudes towards other races he fought to ensure privilege did not become entrenched in what he envisioned as a white man's utopia In this perceptive new evaluation political historian Tom Brooking explains Seddon's complex relationship with Maori and shows how he in fact held a progressively bi cultural vision for the future of God's Own Country Seddon was no saint Somewhat autocratic and given to petty nepotism he nevertheless remains the most dominant political leader in our country's history Internationally his high profile within the Empire helped put New Zealand on the map Domestically he sought a middle ground between free market extremism and full blown socialism And more privately Seddon was a devoted family man his actions shaped much more by his supportive wife and assertive daughters than has previously been realised Richard Seddon King of God's Own is a superlative achievement in New Zealand history writing Absorbing wide ranging and beautifully articulated it reframes and repositions one of the founding fathers of modern New Zealand The definitive biography of one of New Zealand's most influential political leaders Paul Moon author of New Zealand in the Twentieth Century King of God's Own is a nuanced and generous assessment of our most famous Premier a man very much of his own time Gavin McLean co editor of the bestselling Frontier of Dreams The Story of New Zealand An excellent biography and a major revision of an important period in this country's history Barry Gustafson acclaimed biographer of Sir Keith Holyoake Sir Robert Muldoon and Michael Joseph Savage Also available as an eBook **Journals of the House of Representatives of New Zealand**

Stevens,Jonathan West,2018 As a group of islands in the far south west Pacific Ocean New Zealand has a history that is steeped in the sea Its people have encountered the sea in many different ways along the coast in port on ships beneath the waves behind a camera and in the realm of the imagination While New Zealanders have continually altered their marine environments the ocean too has influenced their lives A multi disciplinary work encompassing history marine science archaeology and visual culture New Zealand and the Sea explores New Zealand s varied relationship with the sea challenging the conventional view that history unfolds on land Leading and emerging scholars highlight the dynamic ocean centred history of these islands and their inhabitants offering fascinating new perspectives on New Zealand s pasts The ocean has profoundly shaped culture across this narrow archipelago The meeting of land and sea is central in historical accounts of Polynesian discovery and colonisation European exploratory voyaging sealing whaling and the littoral communities that supported these plural occupations and the mass migrant passage from Britain Frances Steel
