Narrative Power Ken Plummer, 2019-05-29 Narratives are the wealth of nations they animate life sustain culture and cultivate humanity They regulate and empower us bringing both joy and discontent And they are always embedded in ubiquitous power stories shape power and power shapes story In this provocative and original study Ken Plummer takes us on a journey to explore some of the key dimensions of this narrative power His main focus is on what he calls narratives of suffering and how these change through transformative narrative actions across an array of media forms The modern world is in crisis and long standing narratives are being challenged in five major directions through deep inequalities global state complexities digital risks the perpetual puzzle of truth and the ever emerging contingencies of time Asking how we can build sustainable stories for a better future the book advocates the cultivation of a narrative hope a narrative wisdom and a politics of narrative humanity Narrative Power suggests novel directions for enquiry discusses a raft of innovative ideas and concepts and sets a striking new agenda for research and action

Lethal Force, the Right to Life and the ECHR Stephen Skinner, 2019-08-22 In its case law on the use of lethal and potentially lethal force the European Court of Human Rights declares a fundamental connection between the right to life in Article 2 of the European Convention on Human Rights and democratic society This book discusses how that connection can be understood by using narrative theory to explore Article 2 law s specificities and its deeper historical social and political significance Focusing on the domestic policing and law enforcement context the book draws on an extensive analysis of case law from 1995 to 2017 It shows how the connection with democratic society in Article 2 s substantive and procedural dimensions underlines the right to life s problematic duality as an expression of a basic value demanding a high level of protection and a contextually limited provision allowing states leeway in the use of force Emphasising the need to identify clear standards in the interpretation and application of the right

to life the book argues that Article 2 law s narrative dimensions bring to light its core purposes and values These are to extract meaning from pain and death ground democratic society s foundational distinction between acceptable force and unacceptable violence and indicate democratic society s essential attributes as a restrained responsible and reflective system

Laissez Faire Law Wolf Devoon,2007-09-01 20 essays drawn from numerous online archives that illuminate two decades progress of DeVoon s thought on the philosophy of laissez faire law a system that he believes has no direct antecedents except Thomas Paine and Ayn Rand O Connor with a grateful hat tip to Jefferson Lincoln Madison Hancock Otis and Franklin

Documents of Life 2 Ken Plummer,Kenneth Plummer,2001-03-20 This study champions the use of life stories and other perosnal documents in social research It considers recent developments in the humanist approach to social research looking at writing and narrative memory and the auto biographical society
