Right Of The Community To A Priest New Concilium 1980:

The Authentic Doctrine of the Eucharist Teresa Whalen,1993 At the heart of Roman Catholicism lies the celebration of the Eucharist as it both expresses and renews the living faith of Catholics Each new generation accepts the tradition even as it articulates its own authentic understanding and expression of the Eucharistic doctrine The Authentic Doctrine of the Eucharist documents the rich heritage of this living tradition *The Future of Catholic Leadership* Dean R. Hoge,1987 This book should be read by every bishop every vocation director every member of every seminary staff every person involved in the recruitment formation and evaluation of ministers of every kind and any and every individual who has ever written or lectured or just sounded off on the so called vocations crisis When the Lilly Endowment initially funded this important project it suggested that it be practical realistic and helpful This book meets all three requirements And more Richard P McBrien

Rosier,2002 The number of Catholic communities with no priest available to celebrate Sunday Eucharist has increased steadily over 60 years For many other forms of Sunday celebration are the statistical norm This dramatic development coincides with Vatican II's insistence on liturgical catechesis for the baptised the main source of their Christian spirit comes from active participation in the liturgy especially the Sunday Eucharist Celebrating the liturgy in all its symbolic fullness leads to inner participation in the mystery A more profound appropriation of this living relationship with Christ comes about through well celebrated rites and reflection on personal experience of the rites Yet liturgical catechesis is largely ignored or dismissed because it is not understood Liturgical celebrations frequently lack the vitality capable of leading people into the depth of the sacred mysteries they celebrate Sunday celebrations in the absence of a priest are no exception This book presents a systematic treatment of the modern church's teaching on liturgical catechesis It proposes ten general principles of liturgical catechesis These principles are used to explore and criticize the Directory for Sunday Celebrations in the Absence of a Priest 1988 as well as the rituals prepared from the Directory by the USA and Canada Even when there can be no Sunday Mass in parishes hospitals and nursing homes navy ships and jails liturgical prayer is to be a privileged place of evangelisation catechesis spirituality and discipleship in Christ **Constructing Local Theologies** Robert J. Schreiter,2015-09-15 In the thirty years since Constructing Local Theologies first appeared it has been the basic handbook for anyone interested in understanding the theological implications of cultural pluralism While the themes of inculturation and contextualization have been increasingly familiar the insights of this groundbreaking work remain startlingly fresh and original The proliferation of local theologies and the emergence of voices from the margins continue to challenge traditional assumptions that the theology of the dominant culture is universal and undetermined by context Real Presence Regis A. Duffy,2010-05-01 Why is there so much worship and so little real commitment to living out the Gospel How can there be so much participation in the sacraments and so little growth and transformation in most of our lives In this challenging book of practical theology Regis Duffy tackles vital questions that are seldom asked let alone answered Basing his argument solidly on the New Testament and core Christian teaching Duffy shows how ritual sacrament worship and community have real meaning and worth only when they function as effective symbols of transformation and renewed commitment What is often lacking is not God's presence but our own By relating individual sacraments Initiation Eucharist Penance to studies of the life cycle and stages of faith Real Presence presents a compelling vision of what genuine participation in the Christian community involves throughout our lives Contents The Cutting Edge of Faith Commitment Unearned Gifts and Their Symbols Conflict as Crossroads for the Christian A Question of Presence The People in the Water Servants at Table Fragmented Stories The
