Right Over the Mountain Gill Marais,2002-06-01 **Tibetan Medicine** Ven R. Rechung,1973-01-01 *White Mountain* Robert Twigger,2017-10-03 Home to mythical kingdoms wars and expeditions and strange and magical beasts the Himalayas have always loomed tall in our imagination These mountains home to Buddhists Bonpos Jains Muslims Hindus shamans and animists to name only a few are a place of pilgrimage and dreams revelation and war massacre and invasion but also peace and unutterable calm They are a central hub of the world s religion as well as a climber s challenge and a traveler s dream In an exploration of the region s seismic history Robert Twigger author of *Red Nile* and *Angry White Pyjamas* unravels some of these seemingly disparate journeys and the unexpected links between them Following a winding path across the Himalayas to its physical end in Nagaland on the Indian Burmese border Twigger encounters incredible stories from a unique cast of mountaineers and mystics pundits and prophets The result is a sweeping enthralling and surprising journey through the history of the world s greatest mountain range *Medical and Health Care Books and Serials in Print* ,1997 **The Spiritual Journey of Alejandro Jodorowsky** Alejandro Jodorowsky,2008-05-27 Jodorowsky s memoirs of his experiences with Master Takata and the group of wisewomen magiciennes who influenced his spiritual growth Reveals Jodorowsky turning the same unsparing spiritual vision seen in *El Topo* to his own spiritual quest Shows how the author s spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970 John Lennon introduced to the world Alejandro Jodorowsky and the movie *El Topo* that he wrote starred in and directed The movie and its author instantly became a counterculture icon The New York Times said the film demands to be seen and Newsweek called it An Extraordinary Movie But that was only the beginning of the story and the controversy of *El Topo* and the journey of its

brilliant creator His spiritual quest began with the Japanese master Ejo Takata the man who introduced him to the practice of meditation Zen Buddhism and the wisdom of the koans Yet in this autobiographical account of his spiritual journey Jodorowsky reveals that it was a small group of wisewomen far removed from the world of Buddhism who initiated him and taught him how to put the wisdom he had learned from his master into practice At the direction of Takata Jodorowsky became a student of the surrealist painter Leonora Carrington thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts These women included Do a Magdalena who taught him initiatic or spiritual massage the powerful Mexican actress known as La Tigresa the tigress and Reyna D Assia daughter of the famed spiritual teacher G I Gurdjieff Other important wisewomen on Jodorowsky s spiritual path include Mar a Sabina the priestess of the sacred mushrooms the healer Pachita and the Chilean singer Violeta Parra The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment
