Exploring Romans George R. Knight,2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God s response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian s life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket *Live Free or Die Lawfully: A devotional*

commentary on Galatians Joshua Wingerd,2019-10-28 There are only two paths Freedom or Slavery Spirit or Flesh Faith or Law Blessing or Cursing Life or Death Which path are you on This is Paul s argument in the first letter he ever wrote under the Spirit s inspiration He wants his readers then and now to live in the path of freedom and life The Galatians had traded salvation by grace alone through faith alone for a gospel of works of Law Paul has some seemingly harsh words for them because to replace grace with anything else is to destroy the Gospel of Jesus Christ **Coral Ridge Presbyterian Church**

Communicator ,2001 **Luther as a Spiritual Adviser** Dennis Ngien,2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions The aim of this book is to unfold the pastoral not the polemical side of the reformer drawing on the spiritual insights he offers to people of high and low estate These writings are devotional and catechetical in shape and intent yet not devoid of rich theological substance the fruit of his rigorous reflections They are the exercises of Luther s basic calling as a theologian pastor and are the concrete illustrations of the interface of theology and piety the former being the abiding presupposition and logical cause of the latter Through them readers are informed not only of the Reformation

theology of justification but also introduced to a distinct expression of the Christian faith in which Christ and his cross occupy the centre stage. What is noticeable is the one single overarching theme: God's ways with people. That the Reformer as a spiritual adviser sought to relate to the events of his days such as evils, severe afflictions, the prevalent lay abuse of the Eucharist. He counseled how to meditate aright on Christ's passion, prepare to face the terror of death, advise the sick rightly, approach the sacrament of the altar, why and how to pray aright, what benefits could be gained from the Lord's Prayer, and how to live out a life of discipleship under the cross. Ngien's work reveals Luther as a true theologian, i.e. theologian of the cross at work in the pastoral context.

The Gospel According to Isaiah Timothy J.E. Cross, 2018-08-19. Martin Luther once said that Isaiah 53 ought to be written on parchment of gold and lettered in diamonds. If you read this book, you will see why Isaiah 53 is one of the most amazing chapters in the whole Bible. Although written some 800 years BC, it actually contains one of the clearest views of the Person and Work of Christ in all of the Scriptures. This ancient Old Testament prophecy gives a distilled New Testament theology. Isaiah 53 directs us to the Cross of Christ and the Christ of the Cross. Its central theme is the sacrificial substitutionary and saving death of the Lord Jesus Christ at Calvary, and the infinite blessings and benefits which accrue to the believer from this. Isaiah is justly known as the evangelical prophet, and Isaiah 53 encapsulates his evangel. Isaiah 53 is THE GOSPEL ACCORDING TO ISAIAH. Grasp the message of this book, and you will be blessed indeed and eternally rich with the

unsearchable riches of Christ Great Riches At Christ s Expense **NIV® Standard Lesson Commentary® 2023-2024**

Dandoy,2021-04-02 God grabbed hold of a Presbyterian pastor to take him to the religion of Messianic Jews What follows is a mystery story that reveals answers to the dilemmas in a problematic faith In traditional rabbinic Judaism it is blasphemy and in church doctrine it is heresy But as a third biblical religion with its own soteriology it is neither false nor mistaken Untying the knot of contradictions in Messianic Judaism sheds light on the eminence of Judaism and the chauvinism of Christianity It turns familiar assumptions upside down with a monotheistic hermeneutic for reading the New Testament and an inclusive soteriology unfolding the revelation of God s new idea It is new wine that invites believers to a deeper devotion through reexamination of fundamental truths The majority of Messianic congregations share many of the beliefs and teachings of evangelical Protestantism a choice that has not achieved the goals of the Messianic movement because the contradiction in the evangelical assumption is real Explore the alternative truths of radical monotheism through the eyes of a gentile convert from the church who learned to read the Bible with new eyes and met Yeshua Jesus again for the first time *The Swedish Pietists: A Reader* Mark Safstrom,2015-03-24 Beginning in the 1830s and stretching into the first decades of the twentieth century the Lutheran state churches of Scandinavia experienced a great spiritual awakening At the center of this movement were devotional materials and sermons made accessible through colporteurs and booksellers throughout Scandinavia as well as among immigrants in North America Two of the most influential and widely read authors of this period were the Swedish preachers Carl Olof Rosenius 1816 1868 and Paul Peter Waldenstrom 1838 1917 who became household names through their immensely popular devotional journal Pietisten The Pietist Both men emerged from the long tradition of revivalism within the Lutheran state churches of Europe known as Pietism and consciously drew on this
