finds her living yet Little Pompilia with the patient brow And lamentable smile on those poor lips And under the white  
hospital array A flower like body to frighten at a bruise 5 You d think yet now stabbed through and through again Alive i the  
ruins Tis a miracle It seems that when her husband struck her first She prayed Madonna just that she might live So long as to  
confess and be absolved 10 And whether it was that all her sad life long Never before successful in a prayer This prayer rose  
with authority too dread Or whether because earth was hell to her By compensation when the blackness broke 15 She got  
one glimpse of quiet and the cool blue To show her for a moment such things were Or else as the Augustinian Brother thinks  
The friar who took confession from her lip When a probationary soul that moves 20 From nobleness to nobleness as she Over  
the rough way of the world succumbs Bloodies its last thorn with unflinching foot The angels love to do their work betimes  
Staunch some wounds here nor leave so much for God 25 Who knows However it be confessed absolved She lies with  
overplus of life beside To speak and right herself from first to last Right the friend also lamb pure lion brave Care for the boy  
s concerns to save the son 30 From the sire her two weeks infant orphaned thus And with best smile of all reserved for him  
Pardon that sire and husband from the heart A miracle so tell your Molinists There she lies in the long white lazar house 35  
Rome has besieged these two days never doubt Saint Anna s where she waits her death to hear Though but the chink o the
