Glimpses of America by James W Buel This book provides a fascinating look at the sights and sounds of America in the late 19th century James W Buel a journalist and travel writer shares his first hand experiences and observations of everything from the bustling cities of the East Coast to the vast landscapes of the Midwest and West Key Aspects of the Book Glimpses of America Historical Snapshot Buel s account offers a unique glimpse into life in America during the late 1800s capturing the landscape culture and people of the time Travel Writing The book is an excellent example of literary journalism and offers a model for travel writers and journalists today Personal Perspective Buel s writing is personal and engaging making the reader feel as if they are seeing the world through his eyes James W Buel was an American journalist and author who lived in the late 19th century He wrote over 40 books many of them travelogues and biographies and was a frequent contributor to national magazines such as Harper s Weekly and The Atlantic Monthly Buel s writing is characterized by his personal observations and vivid descriptions of people and places as evidenced in his book Glimpses of America *All-That-Is Waving in Resonance with the Vibes* Llan Starkweather,2007-08

The vibrational energies of earth harmonically support the electromagnetic force of all living things and the game we play of reality Holographic and quantum theory affirm that the observer and the observed are one the body is actually blinking on and off and is sensitive to the entire range of electromagnetic frequencies While technology in the hands of a secret government with its overt and covert hold on minds and bodies is careening down the telescoping aisle of time it is accompanied by a tremendous acceleration of possible consciousness toward Knowing that the reality that we intend for ourselves is indeed tentatively located in but a few grids within the holographic infinity that Matters the All That Is by our pranic energy there manifest we yet create our own reality This book is a piece of the ever growing network of dissent urgently seeking a window denied by all media to a consciousness of compassion for All That Is Global agony comes to dominate a book about earth and human energies **Subject Catalog, 1982** Library of Congress,1982 **Glimpses of America Our Country's Scenic Marvels** James W.
