Ripples In Our Lives:

The Story Ripples of the Bible Elisabeta Karp,2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible s stories ripple toward Messiah their own stories will too Bill R. Ripple Effects Pam Tebow,2022-07 Discover the God inspired difference only you can make in the world using the key you never knew you had Tim Tebow credits his mom with being the key to his success but Pam never expected that she would be known on a national stage For most of her life she was serving quietly and faithfully as a wife and a mom choosing life for her child in the face of medical risks answering the Lord s call to mission work in the Philippines and homeschooling before anyone knew what the word meant But all along the way her experiences and her consistent everyday choices to follow the Lord and to serve wherever He placed her were creating unexpected ripples of influence throughout her family her community and her world And they would end up extending far beyond anything she ever imagined Pam believes that every one of us can be influential and that deep within a woman s heart is the desire to use her influence for good In Ripple Effects Pam uncovers and explores the miraculous motivating power of influence we can have on this generation and the next no matter where we are planted in life Whether we are in the midst of endless diaper changes climbing up the corporate ladder or simply doing our best to live love and serve well each day Pam will encourage us to maximize our God given opportunities for influence and watch how far the ripples will spread **The Ripple Effect** Pasquale De Marco,2025-07-13 Prepare to
