prejudices of the day shall have given place to reason and sober thought may better than a contemporary investigate the causes conduct and results of the war      **The Rise and Fall of the Confederate Government - Volume I** Jefferson Davis,2015-04-13 The Rise and Fall of the Confederate Government Volume I from Jefferson Davis President of the Confederate States of America during the entire Civil War 1861 to 1865 1808 1889      *The Rise and Fall of the Confederate Government* Jefferson Davis,1881      *The Rise and Fall of the Confederate Government, Volume 1* Jefferson Davis,2018-02-24 A decade after his release from federal prison the 67 year old Jefferson Davis ex president of the Confederacy the Southern Lincoln popularly regarded as a martyr to the Confederate cause began work on his monumental Rise and Fall of the Confederate Government Motivated partially by his deep rooted antagonism toward his enemies both the Northern victors and his Southern detractors partially by his continuing obsession with the cause and partially by his desperate pecuniary and physical condition Davis devoted three years and extensive research to the writing of what he termed an historical sketch of the events which preceded and attended the struggle of the Southern states to maintain their existence and their rights as sovereign communities The result was a perceptive two volume chronicle covering the birth life and death of the Confederacy from the Missouri Compromise in 1820 through the tumultuous events of the Civil War to the readmission of the Southern states to the U S Congress in the late 1860s Supplemented with a new historical foreword by the Pulitzer Prize winning James M McPherson The Rise and Fall of the Confederate Government Volume I belongs in the library of anyone interested in the root causes the personalities and the events of America s greatest war We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
