Michael Freemark, Leslie A. Falk, Kevin McDonald, Ed McConville, Mimi Conway, Allen Tullos, Peter Wood, Steve Hoffius, Roy Appleton, Hilary Hylton, Richard Couto, Linda Thalman, Bob Broedel, Dan Blumenthal, Joyce Goldstein, Helen M. Lewis, M.H. Ross, Barbara Berney, Matt Witt, Marc Miller

Rise And Fall Of The Plantation South:

The Rise and Fall of the Plantation South Raimondo Luraghi, 1978 Examines the history of the American South from its colonial beginnings through the Civil War

The Rise and Fall of the Plantation Complex Philip D. Curtin, 1998-02-13 Over a period of several centuries Europeans developed an intricate system of plantation agriculture overseas that was quite different from the agricultural system used at home Though the plantation complex centered on the American tropics its influence was much wider Much more than an economic order for the Americas the plantation complex had an important place in world history These essays concentrate on the intercontinental impact

America's Johannesburg Bobby M. Wilson, 2019-12-01 In some ways no American city symbolizes the black struggle for civil rights more than Birmingham Alabama During the 1950s and 1960s Birmingham gained national and international attention as a center of activity and unrest during the civil rights movement Racially motivated bombings of the houses of black families who moved into new neighborhoods or who were politically active during this era were so prevalent that Birmingham earned the nickname Bombingham In this critical analysis of why Birmingham became such a national flashpoint Bobby M Wilson argues that Alabama's path to industrialism differed significantly from that of states in the North and Midwest True to its antebellum roots no other industrial city in the United States depended as much on the exploitation of black labor so early in its urban development as Birmingham A persuasive exploration of the links between Alabama's slaveholding order and the subsequent industrialization of the state America's Johannesburg demonstrates that arguments based on classical economics fail to take into account the ways in which racial issues influenced the rise of industrial capitalism

The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience

The Confederacy's Greatest Cavalryman Brian Steel Wills, 1998 This is the

best biography of one of the most exciting colorful and controversial figures of the Civil War A renowned cavalryman Nathan Bedford Forrest perfected a ruthless hit and run guerrilla warfare that terrified Union soldiers and garnered the respect of warriors like William Sherman who described his adversary as that Devil Forrest the most remarkable man our Civil War produced on either side Historian Bruce Catton rated Forrest one of the authentic military geniuses of the whole war but Brian Steel Wills covers much more than the cavalryman s incredible feats on the field of battle He also provides the most thoughtful and complete analysis of Forrest s hardscrabble childhood in backwater Mississippi his rise to wealth in the Memphis slave trade his role in the infamous Fort Pillow massacre of black Union soldiers his role as early leader and Grand Wizard of the first Ku Klux Klan and his declining health and premature death in a reconstructing America Modernizing a Slave Economy John Majewski,2011-04-01 What would separate Union and Confederate countries look like if the South had won the Civil War In fact this was something that southern secessionists actively debated Imagining themselves as nation builders they understood the importance of a plan for the economic structure of the Confederacy The traditional view assumes that Confederate slave based agrarianism went hand in hand with a natural hostility toward industry and commerce Turning conventional wisdom on its head John Majewski s analysis finds that secessionists strongly believed in industrial development and state led modernization They blamed the South s lack of development on Union policies of discriminatory taxes on southern commerce and unfair subsidies for northern industry Majewski argues that Confederates opposition to a strong central government was politically tied to their struggle against northern legislative dominance Once the Confederacy was formed those who had advocated states rights in the national legislature in order to defend against northern political dominance quickly came to support centralized power and a strong executive for war making and nation building

American Studies Jack Salzman,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 On the Road to Total War Stig Förster,Jorg Nagler,2002-08-22 On the Road to Total War attempts to trace the roots and development of total industrialised warfare a concept which terrorises citizens and soldiers alike Mass mobilisation of people and resources and the growth of nationalism led to this totalisation of war in nineteenth century industrialised nations In this collection of essays international scholars focus on the social political economic and cultural impact of the American Civil War and the German Wars of

Unification **Sick for Justice** Michael Freemark, Leslie A. Falk, Kevin McDonald, Ed McConville, Mimi Conway, Allen Tullos, Peter Wood, Steve Hoffius, Roy Appleton, Hilary Hylton, Richard Couto, Linda Thalman, Bob Broedel, Dan Blumenthal, Joyce Goldstein, Helen M. Lewis, M.H. Ross, Barbara Berney, Matt Witt, Marc Miller, 1978 Three years ago when I first met Talbert Faircloth and his wife Dora I found it very hard to believe the story that they told me Talbert was sick at the time and jobless and angry Two years earlier he had been carried breathless out of the cotton mill on a stretcher never to return to work again I found it hard to believe that thousands of workers in the South's largest and oldest industry could have been afflicted by a crippling disease for years and not have known that they had it or even what caused it In time I learned that Talbert's story like that of 35 000 other Southern textile workers was so wrought with truth and so difficult for the region's most powerful industry to accept that it had been suppressed and ignored for decades A year ago during a conference at Highlander Center in Tennessee I first heard Les Falk recount his experiences as medical administrator for the United Mine Workers Health and Retirement Fund The conference brought together doctors nurses organizers and health workers from across the South to discuss topics and articles for this health issue of Southern Exposure and to share common experiences in the health field Les Falk's recollections of the UMWA Fund's battles with entrenched coal company doctors during the early 1950s gave our gathering of Southern health activists a sense of rootedness in our region's tradition of struggle and innovation in organizing health care *The Southern Legacy* Pasquale De Marco, 2025-03-16 Journey into the Heart of the American South A Captivating Exploration of History Culture and Spirit In *The Southern Legacy* readers embark on an immersive journey through the vibrant tapestry of the American South This comprehensive guide unveils the region's rich history diverse culture and indomitable spirit offering an intimate glimpse into the heart and soul of the Southern United States Uncover the Enchanting Charm and Hospitality *The Southern Legacy* invites readers to experience the warmth and hospitality that define the Southern way of life From the welcoming smiles of locals to the delectable cuisine that delights the senses this book captures the essence of Southern charm and hospitality making readers feel like they've stepped into a welcoming embrace Explore the Cultural Treasures and Heritage The South boasts a rich cultural heritage and *The Southern Legacy* delves into the region's art music literature and traditions Discover the soulful melodies of Southern blues and rock immerse yourself in the evocative words of Southern writers and uncover the unique crafts and festivals that celebrate Southern identity Witness the Resilience and Transformation The South has faced numerous challenges throughout its history yet it has emerged with a spirit of resilience and transformation From the struggles of the Civil War to the victories of the Civil Rights Movement this book chronicles the South's journey towards progress and equality showcasing the strength and determination of its people Unveil the Natural Beauty and Diversity *The Southern Legacy* takes readers on a journey through the region's breathtaking natural landscapes From the majestic mountains of Appalachia to the sun-kissed beaches of the Gulf Coast this book captures the diverse beauty of the Southern states inviting readers to explore its hidden gems and

appreciate its ecological wonders Embrace the Southern Spirit and Legacy At the heart of The Southern Legacy lies the indomitable spirit of the Southern people Their resilience humor storytelling tradition and passion for life shine through every page leaving readers with a deep appreciation for the Southern heritage and a renewed sense of the American spirit With vivid descriptions insightful commentary and a deep appreciation for the region The Southern Legacy is an essential guide for anyone seeking to understand the true essence of the American South If you like this book write a review

Jefferson Davis, Unconquerable Heart Felicity Allen, 1999 Preeminent Civil War historian Frank Vandiver always longed to see an interpretive biography of Jefferson Davis Finally more than twenty years after Vandiver expressed that wish publication of *Jefferson Davis Unconquerable Heart* makes such an interpretive biography available Felicity Allen begins this monumental work with Davis's political imprisonment at the end of the Civil War and masterfully flashes back to his earlier life interweaving Davis's private life as a schoolboy a Mississippi planter a husband a father and a political leader She follows him from West Point through army service on the frontier his election to the U S House of Representatives his regimental command in the Mexican War his service as U S secretary of war and senator and his term as president of the Confederate States of America Although Davis's family is the nexus of this biography friends and enemies also play major roles Among his friends intimately met in this book are such stellar figures as Andrew Jackson John C Calhoun Zachary Taylor Franklin Pierce Albert Sidney Johnston and Robert E Lee With the use of contemporary accounts and Davis's own correspondence *Jefferson Davis Unconquerable Heart* casts new light upon this remarkable man thawing the icy image of Davis in many previous accounts Felicity Allen shows a strong yet gentle man a stern soldier who loved horses guns poetry and children a master of the English language with a dry wit a man of powerful feelings who held them in such tight control that he was considered cold and a home loving Mississippian who was drawn into a vortex of national events and eventual catastrophe At all times duty honor country ruled his mind Davis's Christian view of life runs like a thread throughout the book binding together his devotion to God his family and the land *Jefferson Davis Unconquerable Heart* brings Davis to life in a way that has never been done before The variety of his experience the breadth of his learning and the consistency of his beliefs make this historical figure eminently worth knowing

Beating Plowshares Into Swords Paul A. C. Koistinen, 1996 Koistinen describes how an undeveloped preindustrial economy forced Americans to fight defensive wars of attrition like the Revolution and the War of 1812 By the time of the Mexican War however a gradually maturing economy allowed the United States to use a much more offensive minded strategy to achieve its goals The book concludes with an exhaustive examination of the Civil War a conflict that both anticipated and differed from the total wars of the industrialized era Koistinen demonstrates that the North relied upon its enormous economic might to overwhelm the Confederacy through a strategy of annihilation while the South bungled its own strategy of attrition by failing to mobilize effectively a much less developed economy

The Myth of Nathan Bedford Forrest Paul Ashdown, Edward Caudill, 2006-02-16 An insightful exploration of the relentless myth of the famous Civil War

general this volume scrutinizes the collective public memory of Nathan Bedford Forrest as it has evolved through the press memoirs biographies and popular culture The United States in Central America, 1860-1911 Thomas David Schoonover,1991 In a work of unprecedented scope Thomas D Schoonover combines exhaustive multicountry archival research with a sophisticated theoretical framework grounded in world systems theory to elucidate the relations between the United States and Central America in the late nineteenth and early twentieth centuries Schoonover s archival research in Central America Europe and the United States encompasses public business organizational and individual records In analyzing this material Schoonover applies a world systems theory approach with that of social imperialism and dependency theory to underscore the broad multistate dimension of international affairs In exploring the international history of Central America Schoonover describes the role of personalities such as John C Fr mont Otto von Bismarck Theodore Roosevelt Manuel Estrada Cabrera and Jos Santos Zelaya the impact of railroad building and canal projects and the role of pan Americanism nationalism racism and anti Americanism Reader's Guide to American History Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history The Economist ,1868 Città e campagna nell'età dorata Valeria Gennaro Lerda,1986 **New Directions in Slavery Studies** Jeff Forret,Christine E. Sears,2015-11-16 In this landmark essay collection twelve contributors chart the contours of current scholarship in the field of slavery studies highlighting three of the discipline s major themes commodification community and comparison and indicating paths for future inquiry New Directions in Slavery Studies addresses the various ways in which the institution of slavery reduced human beings to a form of property From the coastwise domestic slave trade in international context to the practice of slave mortgaging to the issuing of insurance policies on slaves several essays reveal how southern whites treated slaves as a form of capital to be transferred or protected An additional piece in this section contemplates the historian s role in translating the fraught history of slavery into film Other essays examine the idea of the slave community an increasingly embattled concept born of revisionist scholarship in the 1970s This section s contributors examine the process of community formation for black foreigners the crucial role of violence in the negotiation of slaves sense of community and the effect of the Civil War on slave society A final essay asks readers to reassess the long standing revisionist emphasis on slave agency and the ideological burdens it carries with it Essays in the final section discuss scholarship on comparative slavery

contrasting American slavery with similar less restrictive practices in Brazil and North Africa One essay negotiates a complicated tripartite comparison of secession in the United States Brazil and Cuba while another uncovers subtle differences in slavery in separate regions of the American South demonstrating that comparative slavery studies need not be transnational New Directions in Slavery Studies provides new examinations of the lives and histories of enslaved people in the United States

Black Identity and Black Protest in the Antebellum North Patrick Rael, 2003-01-14 Frederick Douglass Sojourner Truth Martin Delany these figures stand out in the annals of black protest for their vital antislavery efforts But what of the rest of their generation the thousands of other free blacks in the North Patrick Rael explores the tradition of protest and sense of racial identity forged by both famous and lesser known black leaders in antebellum America and illuminates the ideas that united these activists across a wide array of divisions In so doing he reveals the roots of the arguments that still resound in the struggle for justice today Mining sources that include newspapers and pamphlets of the black national press speeches and sermons slave narratives and personal memoirs Rael recovers the voices of an extraordinary range of black leaders in the first half of the nineteenth century He traces how these activists constructed a black American identity through their participation in the discourse of the public sphere and how this identity in turn informed their critiques of a nation predicated on freedom but devoted to white supremacy His analysis explains how their place in the industrializing urbanizing antebellum North offered black leaders a unique opportunity to smooth over class and other tensions among themselves and successfully galvanize the race against slavery

Encyclopedia of the Confederacy Richard Nelson Current, 1993 A reference work that looks at the Confederate States of America as a combatant in the Civil War and as a fully functioning nation unto itself

This Enthralling Realm of Kindle Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Convenience and Flexibility E-book books, with their inherent mobility and ease of access, have liberated readers from the constraints of physical books.
