Rising Damp A Celebration:

Eric Chappell's Rising Damp Richard Webber, 2001 Rising Damp has proved compelling viewing for over a quarter of a century and provided some of the most memorable characters in sitcom history This guide explores the history of the show right from its first inception as a play called the The Banana Box and includes a full episode guide [Remembering Ronnie Barker](#) Richard Webber, 2010-10-07 Ronnie Barker was one of our most respected and best loved comedy actors and here in this fascinating biography Richard Webber delves deep in to the heart of Barker's life and career peppering his narrative with original and incisive memories from some of Barker's closest contemporaries including Ronnie Corbett Michael Palin and Barry Cryer Star of the much adored comedy classics Porridge The Two Ronnies one of the most successful and long running television comedy shows ever on British television and Open All Hours Ronnie Barker was universally admired by the public and industry insiders alike From his early days writing for and performing skits on The Frost Report right up to his retirement in 1988 he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting Beyond his performances on the stage and screen Barker was also an accomplished comedy writer providing many of the sketches and songs for The Two Ronnies and contributing material to a number of other television and radio shows And despite his retirement he retained pole position in the public's affection returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a Two Ronnies night on BBC1 followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on The Two Ronnies Christmas Sketchbook Effortlessly funny universally adored and an actor and writer responsible for some of Britain's best loved and most respected comedy Ronnie Barker was a true comedy legend Here he's brought to the page in winning style as he's remembered by those who best loved and knew him *The British Sitcom Spinoff Film* Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Krupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like The

League of Gentlemen's Apocalypse 2005 adopting a consciously self-reflective mode. It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical representations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality **How**

To Be A Sitcom Writer Marc Blake, 2023-02-15 Everyone loves and hates sitcom. On TV it's the goldmine genre the one watched by millions. There's a special place in our hearts for Fawlty Towers Frasier Blackadder and Brent. An absurd predicament witty banter a group of hilariously dysfunctional people it all seems so easy. But is it? If you've ever said 'I can do better than that' then this is the book for you. How to be a Sitcom Writer will encourage test and pull you through the comedy boot camp that is writing narrative-led character comedy for radio TV *Writing Sitcoms*, *Code: Damp* Sophie

Sleigh-Johnson, 2024-11-12 An alternative occult and esoteric history of England told through one of its most popular cultural forms the comedy sitcom. *Code Damp* is a sometimes comedic field report that charts an esoteric code hidden within the twin poles of 1970s sitcoms *Rising Damp* and *The Fall and Rise of Reginald Perrin*. Outlining how past cultural patterns condensate and repeat through technology time is shown to be a damp condensation seeping through the centuries and out onto the telly. Interspersed with the author's own photographs prints Holsten Pils cans local newspaper entries and carrier bags as well as a whole host of other characters the work seems an antiquarian's conceit that takes time travel as a metaphoric methodology. This is not media studies more an allegory of all reality as televisual recorded history excavating the strata of haunted technology from which the fragile band of code comprising our sense of time is briefly emitted. Drawing connections between incidents of ancient and popular culture from Mark E. Smith's lyric 'They say damp records the past' to *Rising Damp*'s meta-physical structure of decay the book finds damp's temporal power manifest in everything from alchemy mysticism and parish folklore to pulp. *Time Team* darts the local newspaper and of course the sitcom. Merging the vast with the parochial the occult with the comedic *Code Damp* tunes into the weird demands of damp as a time-traveling material at the intersections of comedy myth and technology taking all three as serious resources to better disorient the ground we stand on **Cycles of Hatred and Rage** Katherine C. Donahue, Patricia R. Heck, 2019-05-07 This edited collection

addresses a growing concern in Europe and the United States about the future of the European Union democratic institutions and democracy itself. The current success of right-wing parties marked by the adoption of extremist nationalistic rhetoric aimed to incite fear of the other and the use of authoritarian policies when attaining the majority is putting pressure on basic human rights and the rule of law. Eight sociocultural anthropologists working in England Northern Ireland Italy France Poland Germany Hungary and the United States use varying methodological and theoretical approaches to inspect a number of such parties and their supporters while assessing the underpinnings of current right-wing successes in what has heretofore been a recurring post-war cycle. The research collected in *Cycles of Hatred and Rage* supports the validity of the above concerns and it ultimately suggests that in the current battle between democratic globalists and authoritarian

nationalists the outcome is far from clear Threats at Three Ann Purser,2010-12-07 From the author of *Tragedy at Two* the latest Lois Meade mystery in which timing is everything Lois Meade has worked through all the days of the week turning up clues and scrubbing up both messes and murderers in the village of Long Farnden But crime is a persistent stain When a dead body is found in a canal Detective Cowgill believes the murder is connected to a suspicious fire and a heated dispute over saving the local village hall Time to turn to the ever reliable Lois Meade to sort out the culprits and pick up the loose ends before their village hall turns into a funeral hall Festival Cities John R. Gold,Margaret M. Gold,2020-12-03 Festivals

have always been part of city life but their relationship with their host cities has continually changed With the rise of industrialization they were largely considered peripheral to the course of urban affairs Now they have become central to new ways of thinking about the challenges of economic and social change as well as repositioning cities within competitive global networks In this timely and thought provoking book John and Margaret Gold provide a reflective and evidence based historical survey of the processes and actors involved charting the ways that regular festivals have now become embedded in urban life and city planning Beginning with David Garrick s rain drenched Shakespearean Jubilee and ending with Sydney s flamboyant Mardi Gras celebrations it encompasses the emergence and consolidation of city festivals After a contextual historical survey that stretches from Antiquity to the late nineteenth century there are detailed case studies of pioneering European arts festivals in their urban context Venice s Biennale the Salzburg Festival the Cannes Film Festival and Edinburgh s International Festival Ensuing chapters deal with the worldwide proliferation of arts festivals after 1950 and with the ever increasing diversification of carnival celebrations particularly through the actions of groups seeking to assert their identity The conclusion draws together the book s key themes and sketches the future prospects for festival cities Lavishly illustrated and copiously researched this book is essential reading not just for urban geographers social historians and planners but also for anyone interested in contemporary festival and events tourism urban events strategy urban regeneration regeneration or simply building a fuller understanding of the relationship between culture planning and the city
