Coffman, Daniel Lukes, 2014-12-18 This fascinating massive wide ranging collection that editors Christopher K Coffman and Daniel Lukes have gathered together into *William T Vollmann A Critical Companion* will soon be recognized as one of those rare critical books for which that egregiously overused term groundbreaking is fully justified Larry McCaffery from the preface of *William T Vollmann A Critical Companion* The essays in this collection make a case for regarding William T Vollmann as the most ambitious productive and important living author in the US His oeuvre includes not only outstanding work in numerous literary genres but also global reportage ethical treatises paintings photographs and many other productions His reputation as a daring traveler and his fascination with life on the margins have earned him an extra literary renown unequalled in our time Perhaps most importantly his work is exceptional in relation to the literary moment Vollmann is a member of a group of authors who are responding to the skeptical ironies of postmodernism with a reinvigoration of fiction's affective possibilities and moral sensibilities but he stands out even among this cohort for his prioritization of moral engagement historical awareness and geopolitical scope Included in this book in addition to twelve scholarly critical essays are reflections on Vollmann by many of his peers confidantes and collaborators including Jonathan Franzen James Franco and Michael Glawogger With a preface by Larry McCaffery and an afterword by Michael Hemmingson this book offers readings of most of Vollmann's works includes the first critical engagements with several key titles and introduces a range of voices from international Vollmann scholarship William T. Davies, 2024-09-04 Wren It's been fourteen years since the gateway to Hell opened and life as I knew it ended I managed to survive the Wilds but now I have a chance to build a better world for all Wilders Unfortunately it means working with the demons I've always considered my enemies Joining with the demons wouldn't be a horrible prospect except it means dealing with Corson Somehow the irritating demon gets under my skin until I'm not sure if I want to kiss him or kill him As we grow closer the more memories of my long buried past slip free leaving me unsure of what's real and what's not Corson I assumed joining the Wilders to hunt down the creatures that escaped Hell was a job I'd enjoy Not only can I kill my enemies but I also have a chance to get closer to Wren I wasn't

expecting the stubborn woman to go out of her way to avoid me The more time we spend together the more I realize she might prefer me dead but there s nothing I won t do to keep her safe However when a lethal threat rises I fear keeping Wren alive may be impossible Due to violence language and sexual content this book is recommended for readers 18 *Proditor : Book 5 of the Heku Series* T.M.
