The Betrayal of Faith: How Evangelical Leaders Abandoned Truth for Leftist Ideals Gayle Zavala, Unmasking the Shadows The Betrayal of Faith This startling expos uncovers the clandestine alliance between Evangelical leaders and Leftist ideologies revealing a profound betrayal of Christian principles The book meticulously traces the insidious erosion of Evangelical values exposing the insidious forces that have corrupted its core Step into a world where unwavering beliefs have been shattered and once trusted leaders have led their followers astray Witness firsthand the devastating consequences as churches embrace progressive doctrines that contradict the very foundations of Christianity

The Betrayal of Faith chronicles the subtle and not so subtle shifts in Evangelical teachings from the rejection of biblical authority to the embrace of social justice as the ultimate goal. It exposes the hollowing out of spiritual truth replaced by a distorted gospel that conforms to secular dictates. But this is not merely a tale of disappointment. It is a call to action urging Christians to reclaim their faith from those who have subverted it. The book empowers readers to discern truth from falsehood to stand firm in the face of deceptive doctrines and to rebuild a Christianity that is rooted in the unyielding principles of Scripture.
