**Crisis Management in a Complex World** Dawn R. Gilpin, Priscilla J. Murphy, 2008-07-31 Managers business owners public relations practitioners and others grapple daily with issues that have the potential to radically redefine the reputation of a person company or industry They confront a fundamental question about contemporary crisis management to what extent is it possible to control events and stakeholder responses to them in order to contain escalating crises or safeguard an organization's reputation In *Crisis Management in a Complex World* authors Dawn Gilpin and Priscilla Murphy address this question head on Operating from a strong theoretical orientation this book marks a sharp departure from other crisis management texts which focus on nuts and bolts procedures and information distribution in an effort to simplify the turbulent reality of a crisis situation Instead this book pairs real world examples from across the globe with theory based analysis to show why simplification often fails to alleviate crises and can even intensify them Gilpin and Murphy propose a new complexity based approach to organizational learning that can allow organizations to adapt quickly to

changing circumstances This volume addresses both scholars and high level practitioners of public relations organizational communication and strategic management Strongly cross disciplinary the book draws on theories from communication the physical sciences and business It invites controversy and ultimately aims to change the way people conceptualize and prepare for crises *Crisis Management in Chinese Organizations* Ruth Alas,Junhong Gao,2011-12-15 Provides the theoretical framework on how to manage crises in organizations The author connects crisis management theories with practical examples from Chinese companies and how they contribute to better crisis management not only in Chinese organizations but also in organizations from other countries **SARS from East to West** Eva-Karin Olsson,Lan Xue,2011-11-09 SARS from East to West is the production of international collaboration investigating the first major pandemic in the new millennium SARS As the only major outbreak of a deadly infectious disease in modern times the SARS case is an excellent example of an emerging contagious disease in an interdependent and interconnected world and provided the bases for how subsequent pandemics like the bird flu and swine flu are viewed and managed Eva Karin Olsson and Lan Xue bring together crisis management scholars with genuine knowledge of the geographic area covered in each of the chapters to examine the response to the SARS crisis at national and international levels as well as media analysis
