## **Risky Living:**

**Risky Living** Jamie Buckingham, 1976-10-01 Why is happiness in life so elusive even for Christians who are walking in the Spirit Is happiness even possible Will I always scream at the children Do I have to live with this lustful spirit forever Why am I fat and miserable Will I ever reach the place where I won't lose my temper with my spouse Why does my stomach get all knotted up when I think about that hurtful event in the past If you have ever asked yourself one of these questions or countless others like them then you need to know this The Holy Spirit came not only to comfort the afflicted but to afflict the comfortable Unfortunately too many of us who call ourselves Spirit filled have grown comfortable finding it easier to wear a mask than to permit ourselves to live transparently and run the risk of being seen for who we really are That's what this book is all about Transparency Openness Risky living the kind that if practiced will allow the Holy Spirit to take off your mask peel back the layers and heal you from the inside out All who are self-sufficient should stop here This book won't apply to you But if you are not really happy if your inner person is lonely empty and confused if you know your mask is keeping you from experiencing authentic relationships with people and with God then read on Real happiness is possible Are you willing to take the risk Risky Living Ministries Inc [www.rlmin.com](http://www.rlmin.com) **Risky Living** Jamie Buckingham, 1976 Living Smart Pennie Core-Gebhart, Susan J. **God** E. Glenn Wagner,2010-03-10 Why do so many of God s followers seem to prefer their boxed in religion over God Listen to their rhetoric and you might wonder how a Supreme Being could be so narrow and small so angry and unattractive It s time to start over with an honest conversation instead of a box If God does exist there should be some clear indications of his being And if humans bear God s image as the Bible indicates then we should be able to connect with God on some level This book is about God not religion It s about questions more than watertight answers It s about the experience of God more than it is about incontrovertible evidence that he exists God can t be seen but he can be found And while he can t be fully explained he can be known and experienced Religious boxes have a way of blinding us to spiritual reality So this dialogue is all God no box Are you ready
