Superdelicious Andrea Sossi, 2019-01-22 Over 500 tasty simple and fast recipes for food lovers Collecting recipes is a family tradition Many of those found in this book were given to me in an old notebook written in Italian and in the Triestine dialect by my mother and grandmother My work has led me to live in Brussels Philadelphia and London and the flavors of these cosmopolitan cities mingle in the pages of this book with those of Trieste Verona and Milan in my native northern Italy

Cooking Rice with an Italian Accent! Father Giuseppe Orsini, 2014-06-10 It seems safe to say that most Americans whose roots are not in Italy consider pasta the foundation of Italian cuisine with the possible exception of those who don't see beyond pizza There's justification in that of course In Italy pasta is indeed ever present in hundreds of forms served alone and in combination with just about any edible meat plant or seafood one can think of and with an endless variety of sauces even one named for she who practices the oldest profession But wait till you see the great dishes that Father Orsini has brought you from the farms and cooks of northern Italy wonderful dishes based on rice No matter what you think rice was not brought to Italy by Marco Polo The techniques of rice farming and presumably some seeds or cuttings came to Italy in the ninth century with the Arab invasion of Sicily Rice farming prospered against great odds thanks to the determination and hard work of Sicilian farmers and the money of the Sicilian elite And even though Father Orsini's own roots are in the country's south he readily concedes that northern Italy has raised cooking rice to an art Cooking Rice with an Italian Accent will guide you through that art museum of Sicilian rice dishes with everything from delicious soups Minestre to desserts Dolci a whole chapter on a fabulous selection of risotti Risotto that's right How'd you guess and enough marvelous and often unsuspected rice dishes of many kinds to send you off to the store for a Great Big Bag of Rice Father Orsini is an experienced cookbook author and an experienced chef and his readers needn't fear that his recipes are difficult or complicated to follow They taste really special but the good father has made them as easy to put together as they are delicious to eat The history of rice is a bonus for the intelligence the recipes from Minestrone to Rice Pudding are the basic gift for your honest hunger What more could you ask
