Rites Of Obedience

Tobias Bleicker

Rites Of Obedience:

The Promise of Obedience Leon F. Strieder, 2001 Examines the promise of obedience in the rite of ordination particularly the 1991 addition of a second promise for religious deacons and priests to the bishop The work connects the theological issues of the promise of obedience with their historical development in ordination rituals and religious vows

Confucian Ethics in Retrospect and Prospect Qingsong Shen, Kwong-loi Shun, 2008 **The doctrine, rites, ceremonies, and worship of the Church of England, made plain to the meanest capacities**, 1721 **Fertility and Pleasure** William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman's comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience loyalty to the husband's household and sexual activity aimed at producing an heir Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line What William Lindsey reveals in this well researched study is that although the values that idealized the role of wife and courtesan were highly disparate the rituals symbols and popular practices both engaged in exhibited a degree of similitude and parallelism Fertility and Pleasure examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts Fertility and Pleasure constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures **The Catholic Encyclopedia** Charles George Herbermann, Edward Aloysius Pace, Condé Benoist Pallen, Thomas Joseph Shahan, John Joseph Wynne, Andrew Alphonsus MacErlean, 1912 **The Works of Thomas Jackson, D.D.** Thomas Jackson, 1844 **Hiding the Guillotine** Emmanuel Taïeb, 2020-11-15 Hiding the Guillotine examines the question of state involvement in violence by tracing the evolution of public executions in France Why did the state move executions from the bloody and public stage of the guillotine to behind prison doors In a fascinating exploration of a grim subject Emmanuel Taïeb exposes the rituals and theatrical form of the death penalty and tells us who watched who participated in and who criticized and ultimately brought an end to a spectacle that the state called punishment France's abolition of the death penalty in 1981 has long overshadowed its suppression of public executions over forty years earlier Since the Revolution executions attracted tens of thousands of curious onlookers

But gradually there was a shift in attitude and the public no longer saw this as a civilized pastime Why Combining material from legal archives police files an executioner s notebooks newspaper clippings and documents relating to 566 executions Hiding the Guillotine answers this question Ta eb demonstrates the ways in which the media was at the vanguard of putting an end to the publicity surrounding the death penalty The press had ample reason to be critical cities were increasingly being used for leisure activity and prisons for those accused of criminal activity The agitation surrounding each execution coupled with a growing identification with the condemned would blur these boundaries Ranked among the top hundred history books by the website Caf du Web Historizo Hiding the Guillotine has much to impart to students of legal history human rights and criminology as well as to American historians Catholic Encyclopedia ,1912 *A Concert of Charisms* Paul Kevin Hennessy,1997 Essays that take various approaches to the tensions that have arisen since Vatican II concerning the original mission and charisms of a religious order and today s actual situations of living within a parish **Chinese Statecraft in a Changing World** Jean Dong,2023-11-14 This book addresses one of the most pressing geopolitical inquiries of our era how will China s ambition manifest on the global stage To address this question the book considers China s long tradition of statecraft By doing this it provides a unique and novel insight into the why behind China s actions and sparks a crucial dialogue on how to best navigate China s global rise Through a keen analytical lens the book illuminates both the constraints and the flexibility inherent in Chinese policy making It underscores the geographic and historical factors that constrain China s actions forcing its leaders into trade offs It also highlights the system s inherent flexibility expanding the range of strategic options available when dealing with China The most unique contribution consists in framing the pre occupations of contemporary China in the context of both long standing Chinese trends and unprecedented global changes This book offers a nuanced and realistic guide for senior policy makers business leaders academic researchers and global citizens who seek to decipher the enigma of China s ascent and channel its trajectory towards a more positive and responsible direction *A dictionary of the english language* Alexander Reid,2023-02-22 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Is Free Masonry of God? A letter addressed to the Reverend T. C. Smyth, M.A., and to the Christian ministers of all Masonic lodges Thomas HUTTON (F.G.S., Captain, Bengal Army.),1856 *The Baptist Library* Charles George Sommers,William R. Williams,Levi L. Hill,1843 *Speculum Spinozanum, 1677-1977* Siegfried Hessing,2019-07-31 Originally published in 1978 These essays are written by distinguished philosophers from many countries and were published as a homage to Spinoza in the year which marked the three hundredth anniversary of his death A special feature of the book is that it includes a recently discovered letter by Spinoza reproduced for the first time in English and in facsimile with a commentary The controversial influence of Spinoza on Freud is discussed and illustrated by facsimile reproductions of original letters hitherto

unknown to Freudians and Spinozists alike These letters direct revealing light on some of Freud s attitudes Important parallels between East and West will also attract the student of Spinoza *Transactions of the Supreme Council of the 33d and Last Degree for the Southern Jurisdiction of the United States of America* Scottish Rite (Masonic order). Supreme Council for the Southern Jurisdiction,1878 **SOCIOLOGY OF RELIGIONS** MIR MOHAMMAD IBRAHIM,2008-04-17

Considerable number of books and research articles have been published on the concept of religion and comparative religion But rarely has any religious scholar elaborated the contribution of different religions from sociological point of view This well researched and erudite study discusses the concept of religion with special reference to Dr Ali Shariati an eminent sociologist and Muslim scholar of Iran He brought forth the unique dimensions of the comparative study of religions The text provides a complete sociological background of various religions and stresses their contributions In addition different Islamic ideals and thoughts which need to be understood in modernist s religious perspective are discussed For example the concepts of Imamah Ijtihad Enjoining good and forbidding evil and Hajj are dealt from a sociological viewpoint Finally even the less known dimensions of Islamic ideologies are explained The book is intended for the postgraduate students of Islamic Studies Research scholars and postgraduate students of philosophy may also find the book useful In addition any reader who is interested in sociology of religion and in particular the ideology and other aspects of Islam will benefit from this book

Balthasar in Light of Early Confucianism Joshua R. Brown,2020-04-30 In this original study Joshua Brown seeks to demonstrate the fruitfulness of Chinese philosophy for Christian theology by using Confucianism to reread reassess and ultimately expand the Christology of the twentieth century Catholic theologian Hans Urs von Balthasar Taking up the critically important Confucian idea of xiao filial piety Brown argues that this concept can be used to engage anew Balthasar s treatment of the doctrine of Christ s filial obedience thus leading us to new Christological insights To this end Brown first offers in depth studies of the early Confucian idea of xiao and of Balthasar s Christology on their own terms and in their own contexts He then proposes that Confucianism affirms certain aspects of Balthasar s insights into Christ s filial obedience Brown also shows how the Confucian understanding of xiao provides reasons to criticize some of Balthasar s controversial claims such as his account of intra Trinitarian obedience Ultimately by rereading Balthasar s Christology through the lens of xiao Balthasar in Light of Early Confucianism employs Confucian and Balthasarian resources to push the Christological conversation forward Students and scholars of systematic theology theologically educated readers interested in the encounter between Christianity and Chinese culture and comparative theologians will all want to read this exceptional book

The Scottish Rite William Homan,1905 *The Catholic Encyclopedia* Charles Herbermann,1912 **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart,Adrian Thatcher,1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family
