River Anthony Pino, 2012-11 A Hidden River is a collection of stories and poems dealing with the themes of humanity's assault on its environment and on itself After long years of federal service the writer returned to California and found it overrun with industrial defense and residential development and obsessed with violence He responded to this condition with poems of fantastic revenge nostalgia and sorrow such as Plum Valley Joaquin and Me Apricot and Red Cadillac Some stories and poems also deal with our society's violent disregard for human civility and the continuing presence of violence against other human societies These would include The Amazing Death of J J Finkelstein and An Ode to My Mexican Pot Any country willing to kill or disparage its own will certainly not stop at mauling others The War Bird and Mars 2003 are poems of dread anticipating prolonged exploitative war Pax Vobiscum

Beyond the River Margaret Light, 2024-11-14 In a rural village in Zambia a young woman dreams of leaving her life of poverty behind When a wealthy suitor arrives love blossoms but jealousy from a rival leads to a tragic accident that forces the village to confront their values and desires

Rapture River Robert Edward Smith, 2024-11-08 Rapture River Robert Edward Smith's first novel tracks the relationship of two lovers who are as unpredictable as Michigan's weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh's 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces

his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times Florida on the Boil Kenneth F. Kister, 2007 Provides incisive reviews of more than 300 recommended novels and short story collections set in Florida Numerous Florida fiction writers past and present are represented in the book including such diverse talents as Edna Buchanan Harry Crews Connie May Fowler and others
