**Elizabeth D. Huttman, Wim Blauw, Juliet
Saltman**

Rochesters 19th Ward:

Rochester's 19th Ward Michael Leavy, Glenn Leavy, 2005 Rochester's 19th Ward portrays one of the city's largest residential neighborhoods. The initial settlement predating Rochester itself was called Castle Town. It emerged around 1800 along the Genesee River where boatmen poled flat-bottomed boats along a stretch of turbulence in the river known as the Rapids. Out of this desolate community developed a streetcar suburb, an elegant and vibrant neighborhood designed for the modern 20th-century family. Fine homes, churches, shops, schools, and industries arose between 1900 and 1930, and the 19th Ward quickly became a prestigious address for doctors, professors, and skilled laborers. **People, building**

Annual Report of the State Board of Tax Commissioners of the State of New York New York (State). Board of Tax Commissioners, 1908 **A River Running West** Donald Worster, 2002-11-28 If the word hero still belonged in the historian's lexicon, it would certainly be applied to John Wesley Powell. Intrepid explorer, careful scientist, talented writer, and dedicated conservationist, Powell led the expedition that put the Colorado River on American maps and revealed the Grand Canyon to the world. Now comes the first biography of this towering figure in almost fifty years, a book that captures his life in all its heroism, idealism, and ambivalent, ambiguous humanity. In *A River Running West*, Donald Worster, one of our leading Western historians, tells the story of Powell's great adventures and describes his historical significance with compelling clarity and skill. Worster paints a vivid portrait of how this man emerged from the early nineteenth-century world of immigrants, fervent religion, and rough and tumble rural culture, and barely survived the Civil War battle at Shiloh. The heart of Worster's biography is Powell's epic journey down the Colorado in 1869, a tale of harrowing experiences, lethal accidents, and breathtaking discoveries. After years in the region collecting rocks and fossils and learning to speak the local Native American languages, Powell returned to Washington as an eloquent advocate for the West, one of America's first and most influential conservationists. But in the end, he fell victim to a clique of Western politicians who pushed for unfettered economic development, relegating the aging explorer to a quiet life of anthropological contemplation. John Wesley Powell embodied the energy, optimism, and westward impulse of the young United States. *A River Running West* is a gorgeously written magisterial account of this great American explorer and environmental pioneer, a true story of undaunted courage in the American West. **v. 1-2.
