be a hidden world magical or dangerous only a hair's breadth away from everyday Northumberland. The family befriend the mysterious Mr Woodreeve and they begin to dream of moving to the country. But why is he so friendly and why is Emma in particular drawn to him? When he disappears leaving behind his own peculiar story for them to read they are more confused than ever. Secret letters, secret places, secret lovers, all have to be discovered and understood before the family can find their way towards the truth. Will they be brave enough to share these secrets and how will their lives be changed? *18 Folgate Street* Dennis Severs, 2011-09-30

Growing up in California Dennis Severs fell in love with the England he saw in old black and white movies. At seventeen he came to London looking for a home with a heart. In 1979 he found one: a run-down silk weaver's house in Spitalfields. And over the next twenty years he transformed it into an enchanted time capsule transporting us back to the eighteenth century. From cellar to roof he filled 18 Folgate Street with original objects and furniture found in the local markets, lit by candles and chandeliers. More than that, he invented a family to live here: the Jervis family, Huguenot weavers who fled persecution in France in 1688 and bought the house in 1724. Sounds and scents bring their world to life: always just out of sight, floorboards creak, fires crackle, a kettle hisses on the hob. Visitors step through the frame of time like entering an old master painting. As we move from room to room on a tour, you will never forget we follow the Jervis story from the days of the Georges and the Regency to harsher Victorian times and even to the attic room of Scrooge himself.
